

## **TRANSFER OF CREDIT POLICY AND ARTICULATION AGREEMENTS**

NYCDA has a program-based curriculum and accepts transfer credits from accredited institutions equivalent to 33 credit hours of our Film and Television Performance Program's Platform Year curriculum. These transfer students may apply to transfer into the Film and Television Year. All admission requirements must be met and delivered directly to the Admissions Office, including official high school and college transcript(s) for transfer of credits. Any course work in progress must be reflected in an official transcript before final admission.

A minimum grade of C- is required for transfer credit. Grades from transfer credits are not computed into the NYCDA GPA. Transfer applicants may be required to register for prerequisite courses at additional expense in order to meet the requirements for graduation.

NYCDA recognizes that not all learning takes place inside classrooms and that a significant amount of education can occur through performance work onstage or in film and television. An academic committee consisting of the Artistic Director, Director of Education, and Associate Director of Education may consider awarding some life experience credits to those transfer applicants who submit an extensive portfolio describing their acting work (e.g., projects with names of directors and producers), their roles and responsibilities on set, learning outcomes, and any nominations, awards, or acclamations they may have received. Portfolios are expected to have detailed and objective documentation to support the applicant's claim to learning and knowledge. Contact the Admissions Office at 888-645-0030 ext.4080 to start the transfer application process.

### **Articulation Agreements**

Film and Television Performance Program graduates wishing to pursue a Theater degree can leverage our articulation agreements with two institutions. The Theater Program at Adelphi University in Garden City, New York admits our Film and Television Performance Program graduates into their B.F.A in Theatre Arts: Acting Program as juniors. The School of Theater Arts and Dance at the University of Northern Colorado at Greeley also accepts NYCDA Film and Television Performance Program graduates into their B.A. in Theatre Arts: Acting Program as juniors. Students will still have to be accepted by the above partner schools and the respective programs of study through their regular admissions process, which may include auditioning in order for the articulation agreement to apply.

### **Credit-Transfer Agreement**

This agreement is to provide NYCDA Film and Television Performance Program students, by virtue of their educational achievements at NYCDA, an opportunity to further their education in the dramatic arts

through enrollment in the University of West Florida's B.A. in Theatre with specialization in Acting.  
Students must be accepted into the above program in order for the credit-transfer agreements to apply.
