Catalog Changes

The New York Conservatory for Dramatic Arts may modify, change, delete, or add any policy as deemed necessary by the administration. Notification of changes is given via [Conservatory email](#). Students are responsible for accessing their [Conservatory email](#) to monitor any such changes. For information regarding changes, please contact the Registrar’s Office, 39 West 19th Street, New York, NY 10011, (212) 812-4070, registrar@nycda.edu.

Conservatory Overview

Mission and Values

The mission of the New York Conservatory for Dramatic Arts is to provide practical, relevant, and rigorous training to aspiring actors. We practice a personalized approach to training which places

acting and storytelling at the core, offering immersive performance programs designed to give students the most current tools and techniques needed for successful careers.

Facilities

The New York Conservatory for Dramatic Arts' administrative offices and classrooms are located at 39 West 19th Street between 5th and 6th Avenues in New York's historic Flatiron District. Our facilities are comprised of three floors, each at 10,000 square feet, and house 15 studios/classrooms, 4 private voice rooms, a voice-over recording booth, a dedicated library, and administrative space.

The neighborhood features many landmark buildings and has become home to many beautiful shops, restaurants and clubs as well as green spaces such as Madison Square Park and Union Square Park. The Conservatory is easily accessible by all forms of public transportation.

On-Camera Studio/Classrooms

NYCDA's four on-camera studios, located on the third and fourth floors, are equipped with digital video recording capabilities. Each room is set with two video cameras capable of studio performances via Black Magic Media Express as .mp4 video files. These portable digital files allow student to save and review their work. The studios provide facilities for courses which familiarize students with the process of being on a live set and how to act in front of a camera. Each studio includes:

- Two HD Video Cameras
- Boundary and Shotgun Microphones
- Computer with Black Magic Media Express Recording Software
- Multiple Camera Digital Switcher
- 4K Smart TV
- Television/Film and Theater Lighting
- Basic Scenic Elements (Door unit etc.)
- Basic Set Elements (Furniture, props)

Theater/Screening Studios

NYCDA's spacious performance studios on the second floor offer professional theater lighting and a built-in audio-visual rack equipped with a DVD player connected to a ceiling-mounted digital projector. Each studio includes a computer CPU connected to the projector. A 24-channel light board allows theater lights to be pre-set in a number of lighting configurations. Each room provides an excellent backdrop for courses in various acting techniques, scene study, rehearsal and performance. A retractable screen and wall mounted speakers allow the studio to transition quickly from a theater to a screening or meeting space for larger, short-term courses in audition technique and the business of being an actor. Each studio provides teaching faculty and student actors with the following:

- 24-Channel Lighting Board
- A/V Rack and Amplifier
- Wall-mounted Speakers
- Aux cables and dongles/adaptors for playing music with a digital device
- DVD Player
- Digital Overhead Projector
- Computer
- Retractable 120" Screen
- Theater Lighting
- Basic Scenic Elements (Door unit etc.)

- Basic Set Elements (Furniture, props)

Multipurpose Classrooms

NYCDA has four classrooms in different configurations located throughout the third floor where a variety of exciting classes take place. Classrooms include computers, iPads and wall-mounted monitors. Keyboard packages can be easily delivered to these classrooms as needed. In one studio student voice-over work can be digitally recorded and mixed. These recordings can be saved as digital files and easily transferred to each student's personal drive or device. Students are then able to review their work at their convenience. These classrooms also support instruction in improvisation, sketch and stand-up comedy and in the foundation courses of film genres and history and musical theatre history studies.

Dance and Movement Studios

Six bright third and fourth-floor studios provide an excellent space for a variety of courses designed to add to the young actor's physical repertoire. The 640 sq. ft. studios provide ample room for classes in ballet, jazz, tap, theater dance, stage combat, Suzuki movement technique and physical and vocal dynamics. Each room is equipped with the following:

- A/V Rack and Amplifier with CD Player
- Wall-mounted speakers
- Computer and wall-mounted monitors
- Aux cables and dongles/adaptors for playing music with a digital device
- Supplemental Equipment (Floor mats, portable ballet barres, etc.)

Dance Studios

- Sprung Floors
- Mirrors
- Ballet Barres

Voice Rooms and Studios

NYCDA has private voice rooms and studios for Private Voice lessons, Vocal Technique, Song Performance, Music Theory, and Performance Projects. Rooms are equipped with the following:

- Digital or Upright Piano
- White Board or Music Staff White Board
- Standing mirror for posture check
- Table and chairs

Voiceover Studio

NYCDA has a studio containing a full sound booth, equipped with the following:

- iMac with Audacity digital audio workstation
- Monitor
- Microphones
- Scarlett 2i2 interface

Additional Movable/Free-Standing Equipment

- iPads
- Television Monitors
- CPU's with keyboard and mouse
- Omnidirectional microphones
- Camera Tripod

- Speakers

Library

The NYCDA library contains a collection of 3120 print volumes including music, and 398 digital media offerings of film and documentaries specific to the NYCDA curriculum, plus 1631 digital film, television, theater and commercial scripts. The library also houses an additional 97 digital scores and 155 digital librettos, plus many individual songs. This diverse selection of research material for the aspiring actor includes material devoted specifically to the unique disciplines of film, television, theater, Musical Theatre, as well as information in the broad general areas of knowledge students need to acquire as they pursue their professional careers and their lives. A librarian and student workers are on hand daily to support students in their research.

Located on the third floor, the library also enables students to familiarize themselves with the many film and television genres they are likely to encounter in their lives as working actors by enabling them to screen examples in a relaxed and comfortable atmosphere. The library provides:

- Worktable and Chairs
- Small informal Reading Area
- 4 Computers

Student Lounge

The third and fourth floors provide spaces with tables, chairs, vending machines and microwaves, where students can eat, take a break between classes, socialize or study. The lounges offer:

- Tables and chairs
- 2 Large Vending Machines (third floor)
- 2 Microwaves
- 1 Campus Canteen offering beverage, healthy snacks and sandwiches (fourth floor)

The third and fourth floors also contain changing/dressing rooms for students.

The New York Conservatory for Dramatic Arts' brightly-colored hallways provide a dynamic learning environment in which to begin building an acting career. Students come and go in an atmosphere that vibrates with possibilities. In any part of the school, our community can access the WIFI network that connects students, staff and administrators online.

Notice of Availability: Campus Safety and Security Report

The New York Conservatory of Dramatic Arts' ("NYCDA") most recent Annual Safety and Security Report ("Report") is available on the school's website under Student Resources at

<https://www.nycda.edu/student-resources/> or at [www.nycda.edu/wp-](http://www.nycda.edu/wp-content/uploads/2023/03/NYCDA-Annual-Safety-and-Security-Report-Fire-Safety-Report-2022.pdf)

[content/uploads/2023/03/NYCDA-Annual-Safety-and-Security-Report-Fire-Safety-Report-2022.pdf](https://www.nycda.edu/wp-content/uploads/2023/03/NYCDA-Annual-Safety-and-Security-Report-Fire-Safety-Report-2022.pdf)

To maintain compliance with Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act ("Clery Act"), Higher Education Act ("HEA") requirements, and related statutes and regulations, and in an effort to continuously promote and improve safety and security measures on campus, NYCDA's Report contains the past three calendar years of crime statistics. The Report also details security policies, information on campus law enforcement, information about available counseling and other services, and NYCDA's Title IX Policy and Sexual Violence Prevention and Response Policy. A paper copy of the Report will be provided upon request by contacting Kim Sosa, Director of Student Services at 646-216-2872, ksosa@nycda.edu

Reporting of Criminal Acts

NYCDA strives to provide a safe and secure campus for all students and staff members. The Campus Security Act (Public Law 101-542) requires post-secondary institutions to disclose the number of instances in which specific types of crimes have occurred in any building or on any property owned or controlled by this institution that is used for activities related to the educational purpose of the institution and/or in any building or property owned or controlled by student organizations recognized by this institution. All students and staff members are encouraged to report any and all suspicious campus activity immediately upon witnessing the occurrence. All students should report any knowledge of criminal acts or suspicious behavior to Kim Sosa, Director of Services at 646-216-2872 or studentservices@nycda.edu.

Instances of sexual harassment, violence or discrimination should be reported to the campus Title IX Coordinator in accordance with NYCDA's Title IX Policy and Sexual Violence Prevention and Response Policy located in this Catalog. NYCDA will then take appropriate action based upon the information given by the student or staff member. When deemed appropriate, local law enforcement authorities will also be notified.

Illegal Drugs and Alcohol

NYCDA is committed to the well-being of its students and employees. Thus, NYCDA maintains alcohol and drug abuse policies and programs consistent with the Drug-Free Schools and Communities Act (DFSCA). Related to such policies and programs are internal implementation plans and procedures for ensuring effectiveness and to ensure consistency in enforcement, for both students and employees. On a biennial basis, NYCDA will review its compliance with the DFSCA and necessary updates or changes to the policy or program will be made. A notification will be sent to students and staff if any changes or updates are made.

NYCDA strictly forbids the possession, distribution, use, or sale of alcoholic beverages and/or illegal drugs by students and employees on NYCDA's property or as part of NYCDA activities. Medical marijuana or state-legalized recreational marijuana is federally illegal and is included and covered by this policy. Students and staff members should report any knowledge of such activities to the appropriate NYCDA personnel. Any infraction may be cause for immediate suspension and possible dismissal. When appropriate, such infractions will also be reported to the local authorities. NYCDA reserves the right to require drug testing based on reasonable suspicion.

For additional information on NYCDA's Drug and Alcohol policy including drug and alcohol abuse prevention, education, and intervention activities as well as disciplinary sanctions for violating NYCDA's

policy, please refer to NYCDA's policies on *Substance Abuse and Alcoholic Beverages* on the NYCDA website under Student Resources at <https://www.nycda.edu/student-resources/>

Federal Financial Aid Penalties for Drug Violations

The following notice provides information about the Title IV federal financial aid penalties associated with drug-related offenses under section 484(r) of the Higher Education Act. It also describes how to regain eligibility for such financial aid after conviction of a drug-related offense.

As prescribed in Section 484(r), a student convicted of any offense under any federal or state law involving the possession or sale of a controlled substance during a period of enrollment when he or she was receiving any grant, loan, or work assistance under Title IV will be ineligible to receive such assistance for the following period of time:

- For one year from the date of conviction for the first offense involving the possession of a controlled substance.
- For two years from the date of conviction for the second offense involving the possession of a controlled substance.
- Indefinitely from the date of conviction for the third offense involving the possession of a controlled substance.
- For two years from the date of conviction for the first offense involving the sale of a controlled substance.
- Indefinitely from the date of conviction for the second offense involving the sale of a controlled substance.

A student whose eligibility has been suspended under the previous provision may resume eligibility before the end of the prescribed ineligibility period by one of the following means:

- The student satisfactorily completes a drug rehabilitation program that complies with criteria the Secretary of Education prescribes and includes two unannounced drug tests.
- The conviction is reversed, set aside, or otherwise rendered nugatory.

Retention and Graduation Rates

Under the New York State Education Department (NYSED), colleges and universities must make available retention and graduation rates for the most recent cohort of full-time undergraduate students admitted to degree programs.

Graduation Rate:

The overall graduation rate tracks the progress of students who began their studies as full-time, first-time degree-seeking students to measure if they complete a degree or other award within 150% of "normal time" for completing the program in which they are enrolled. "Normal time" for the Film and Television Performance Program, the Musical Theatre Performance Program and the New Media for Actors Program is two years. Note that not all students—such as those who have already attended another postsecondary institution—are tracked for these rates.

The percentage of Full-Time, First-Time Students who began their studies in the fall and graduated within 150% of “Normal Time” to completion for the program:

Began Fall 2018 (Graduated by Spring 2021)	77%
Began Fall 2019 (Graduated by Spring 2022)	84%

*The New Media for Actors Program is beginning its initial 2nd year and has not yet graduated students and therefore is not included in this calculation

Retention Rate:

Retention rates measure the percentage of first-time students who return to the institution to continue their studies the following fall.

Fall 2020 to Fall 2021	66%
Fall 2021 to Fall 2022	74%

For further statistical breakdowns see [Retention and Graduation Rates](#) on NYCDA’s main website under Student Resources or contact the Registrar’s Office at registrar@nycda.edu.

* The New Media for Actors Program is beginning its initial 2nd year and has not yet graduated students and therefore is not included in this calculation

Student Resources

Academic Advisement

Students have Faculty Advisors who meet with small groups of students three times throughout the semester to provide updates on school procedures and policies, opportunities for group discussions about Academics and Campus Life, and to provide a time for students to complete Course Evaluations. Faculty Advisors also have set weekly office hours for students who wish to discuss academic matters one-on-one. Regarding advisement on curriculum requirements, the New York Conservatory for Dramatic Arts uses a program-based curriculum. As such, all students must complete all required courses to receive an Associate in Occupational Studies (AOS) degree. The Registrar registers students for their program-required courses before the start of a term. In their second year, students the Film and Television Performance Program will choose two out of the following three courses: THE253 Actors Comedy Workshop, THE278 Web Video for Actors, and THE279 Performance and Production. Students will enroll in these courses before the start of their second year. Students enrolled in the Film and Television Performance Program also have the opportunity to register for an [elective](#).

Textbooks

Students must purchase the required textbooks from a third-party. Required books are listed in course syllabi.

Business Office

Location:	Second Floor
Phone:	212-812-4060
Email:	payments@nycda.edu

The Business Office bills and collects all tuition and fees associated with the Conservatory's programs, disburses all financial aid, and issues timely refunds when necessary. The office is committed to providing excellent service to all students and/or their parents regarding understanding tuition statements and other aspects of their financial responsibilities. The office develops, supports, and implements practices that foster the success in all financial areas.

Financial Aid Office

Location: Second Floor
Phone: 212-812-4090
Email: financialaid@nycda.edu

The Financial Aid Office assists students and their families by providing information on ways to pay for an education from NYCDA. The office helps students bridge the gap between family resources and need, by offering Federal and campus-based programs. It also works in collaboration with Federal and state agencies and other departments at NYCDA to maintain compliance with applicable laws, regulations, and policies.

Library

Location: Third Floor, Room 308
Phone: 212-812-4025
Email: library@nycda.edu

The New York Conservatory for Dramatic Arts Library contains print, online, and DVD materials including all recommended and required books for all courses, periodicals and texts supporting the curriculum, a selection of general works in the humanities, and reference resources. The library is equipped with worktable and chairs, four computers and a small informal reading area. A librarian and student workers are available to instruct and assist students in the use of library resources.

Operations

Location: Fourth floor
Phone: 212-812-4050
Email: helpdesk@nycda.edu

The Operations Department is responsible for the daily operation of The New York Conservatory for Dramatic Arts. The Department is divided into two sections: Technical Services and Facilities. Facilities works to ensure that the environment is clean, comfortable, supportive, and conducive to a positive learning experience. It is Facilities' responsibility to make sure everyone in the NYCDA community is safe and secure by controlling access to the premises and making sure surroundings are healthy and pleasant. Facilities also greets visitors, staff, students, and faculty. It manages, redesigns, and maintains the interior space—workstations, offices, and studios, relocates staff, and prepares for new staff. Technical Services schedules rooms and studios, sets up and restores rooms and equipment. Technical Services works with the IT Manager to keep equipment and operating systems running smoothly. The Operations Department is located on the fourth floor.

Registrar's Office

Location: Second Floor
Phone: 212-812-4070

Email: registrar@nycda.edu

The Registrar's Office maintains and assures the accuracy and privacy of students' educational records (see [FERPA Notifications](#)).

The office coordinates all aspects of registration for NYCDA's programs, issues select enrollment verifications and transcripts, oversees the administration of grading and attendance, updates changes in student contact information, and sends out class announcements via Conservatory email. International students and beneficiaries of Veterans educational benefits may contact the Registrar's Office for Student and Exchange Visitor Information System (SEVIS) and Veteran Affairs (VA) questions, respectively.

Student Services

Location: Second Floor
Phone: 646-216-2872
Email: studentservices@nycda.edu

The purpose of Student Services is to coordinate efforts that facilitate a positive learning experience in which all students have the best chance for academic success. With this in mind, Student Services maintains responsibility for the coordination of extracurricular activities, NYCDA news events, internship opportunities, orientation, student discipline, and the overall supervision of student quality of life.

Students are encouraged to speak with the Office of Student Services for advisement while enrolled at NYCDA. While NYCDA does not have medically trained counselors or staff members, the Office of Student Services can provide referral information for students needing additional assistance.

Campus Café

Campus Café Student Portal is the online system used by students to access their Academic Calendar, class schedule, NYCDA student email, see grades, pay tuition online, etc. Students are trained at Orientation on how to use Campus Café Student Portal, which can be accessed from any Internet supported computer, phone, or tablet by visiting <http://students.nycda.edu>.

Measles/Mumps/Rubella and Meningitis

New York State Public Health Laws 2165 and 2167 and NYCDA require that all students taking six or more credits in a degree-granting institution must provide proof of immunity to measles, mumps, and rubella (MMR). Students must also acknowledge receipt of information regarding meningococcal disease in writing, or provide proof of meningococcal vaccine.

New York State requires that NYCDA prohibit all students who are not in full compliance from attending classes. New York State residents have 30 days after the first day of class to submit proof of immunity to MMR to the Registrar's office. Out of state and international students have 45 days after the first day of class to submit proof of immunity to MMR to the Registrar's office. For more information regarding MMR regulations for the state of New York, visit http://www.health.ny.gov/prevention/immunization/handbook/section_1_requirements.htm.

COVID-19 Vaccination Policy

The New York Conservatory is offering a fully in-person student experience. Proof of COVID-19 vaccination is not required, however COVID-19 vaccinations are strongly recommended. The Conservatory encourages students, faculty and staff to assess their personal COVID-19 health risk and take appropriate measures.

Disability Accommodation and Grievance Policy

Statement of Non-Discrimination and Accommodation: NYCDA does not discriminate on the basis of disability. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the educational resources of NYCDA, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (“Section 504”) and the Americans with Disabilities Act (42 U.S.C. § 12182) (“ADA”), their related statutes and regulations, and corresponding state and local laws. Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA Compliance Coordinator, or his/her trained designee who has been designated to coordinate the efforts of the school to comply with Section 504 and ADA.

ADA Compliance Coordinator: Kim Sosa, 646-216-2872 or studentservices@nycda.edu

Requests for Accommodation: Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for an accommodation. However, if a student discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a **Request for Accommodations** form, which is also available to students on NYCDA’s Microsoft Teams application. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Individuals requesting reasonable accommodation may be asked to provide medical documentation substantiating his/her physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation, and must be completed by a qualified professional in the area of the student’s disability, as enumerated below:

Disability	Qualified Professional
Physical disability	MD, DO
Visual impairment	MD, ophthalmologist, optometrist
Mobility, orthopedic impairment	MD, DO
Hearing impairment	MD, Audiologist (Au.D) *audiology exam should not be more than a year old
Speech and language impairment	Licensed speech professional
Learning disability	PhD Psychologist, college learning disability specialist, other appropriate professional
Acquired brain impairment	MD neurologist, neuropsychologist
Psychological disability	Psychiatrist, PhD Psychologist, LMFT or LCSW
ADD/ADHD	Psychiatrist; PhD Psychologist, LMFT or LCSW
Other disabilities	MD who practices or specializes within the field of the disability.

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional’s current medical diagnosis and date of diagnosis, evaluation of how the student’s disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. NYCDA may request additional documentation as needed.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she (or his/her trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be reasonable.

If the student or applicant is denied the requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education’s Office for Civil Rights (OCR) or a similar state entity. NYCDA will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

Grievance Policy Relating to Complaints of Disability Discrimination: NYCDA has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes she/he has been subjected to discrimination on the basis of disability, including disagreements regarding requested accommodations, may file a grievance with Sara Buffamanti, Artistic Director, sbuffamanti@nycda.edu. Grievances must be in writing, contain the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

NYCDA will investigate each complaint filed and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written

determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, NYCDA will take all appropriate actions to prevent any recurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.

Placement Services

The New York Conservatory for Dramatic Arts does not offer formal placement services and does NOT guarantee its graduates placement in the entertainment industry. NYCDA does, however, support its students in entering the job market by holding seminars with guest speakers from areas of the Musical Theatre, and film and television industries, employing a curriculum that emphasizes audition skills, and in the Film and Television Performance Program, via the Final Reel project, providing students who qualify for Final Reel with a downloadable copy of their final performance that is suitable for uploading to video streaming services (i.e. YouTube, Vimeo etc.) and distribution to industry professionals. NYCDA does not offer specific institutional Job Placement Services.

Academic Policies and Procedures

Academic policies assist in creating a productive learning environment. Academic policies have been crafted to accomplish two objectives:

- The creation of a standard of behavior that forms a framework of success in the present, as well as in the future.
- Compliance with the regulations of the U.S. Department of Education, the New York State Department of Education, the National Association of Schools of Theatre, and other regulatory bodies.

Grading System

The New York Conservatory for Dramatic Arts has a letter grading system. Passing grades, in rank order, are A, B, C, D, and P. Failing grades are designated as F. Some courses have components that are graded using a numerical point system.

For Students Beginning 2022-2023

Letter Grade	Grade Points	Numerical Point System (min %)	Quality Range
A+	4.33	97	Clear evidence that the stated objectives and requirements were exceeded by the student.
A	4.0	93	
A-	3.66	89	
B+	3.33	85	Evidence that stated course objectives and requirements were met by the student in an above-average performance.
B	3.0	80	
B-	2.66	77	
C+	2.33	73	Evidence that stated course objectives and requirements were met by the student.
C	2.0	70	
C-	1.66	66	Stated course objectives and requirements were not satisfactorily met by the student. (Students earning grades of C-, D+, or D at NYCDA are placed on academic probation but may continue their studies if the course is a prerequisite for another class.)
D+	1.33	63	
D	1.0	60	
P	0.0	0	Stated course objectives and requirements were met by the student.

F	0.0	0	Stated course objectives and requirements were not met by the student.
INC			Incomplete. This designation is issued because of documented disabling illness or catastrophic personal circumstances which prevent the student from completing course work.
WP WF	0.0 0.0		Passing at time of withdrawal. Failing at time of withdrawal

For Students Beginning 2023-2024

Letter Grade	Grade Points	Numerical Point System (min %)	Quality Range
A A-	3.8-4.0 3.6-3.7	95-100 87-94	Clear evidence that the stated objectives and requirements were exceeded by the student.
B+ B B-	3.3-3.5 3.0-3.2 2.7-2.9	83-86 80-82 77-79	Evidence that stated course objectives and requirements were met by the student in an above-average performance.
C+ C	2.5-2.6 2.0-2.4	75-76 70-74	Evidence that stated course objectives and requirements were met by the student.
D+ D	1.6-1.9 1.0-1.5 1.33 1.0	66-69 64-65 63 60	Stated course objectives and requirements were not satisfactorily met by the student. (Students earning grades of D+ or D at NYCDA are placed on academic probation but may continue their studies if the course is a prerequisite for another class.)
F	0.00	59 and lower	Stated course objectives and requirements were not met by the student.
P	0		Stated course objectives and requirements were met by the student.
INC			Incomplete. This designation is issued because of documented disabling illness or catastrophic personal circumstances which prevent the student from completing course work.

W	0.0		Withdrawal issued after the add/drop period and before midpoint of a term
WP	0.0		Passing at time of withdrawal.
WF	0.0		Failing at time of withdrawal

When transferring NYCDA credits, please be aware that any grade below C may not be accepted by some colleges/universities.

Credit Definition

One semester hour of credit is given for one hour (50 minutes) of in-class instruction plus two hours of out-of-class preparation per week for a fifteen-week term. Classes that require less preparation time in proportion to the in-class working hours, are given fewer credits. Credit hours are attempted and earned. Earned credits apply towards the total number of credit hours needed for completing the requirements of the student's enrolled degree program.

Requirements for Entry into the Programs

- **Film and Television Performance Program/Theatre Performance Program:**

1. Acting Audition
2. Online Application with a non-refundable application fee of \$50.00
3. One written essay of 400-500 words
4. Two Letters of Recommendation
5. Proof of High School Graduation
6. English Language Proficiency
7. Resume (optional)

- **Musical Theatre Performance Program:**

1. Acting and Singing Audition
2. Online Application with a non-refundable application fee of \$50.00
3. One written essay of 400-500 words
4. Two Letters of Recommendation
5. Proof of High School Graduation
6. English Language Proficiency
7. Resume (optional)

- **New Media for Actors Program:**

1. Acting Audition
2. Video
3. Online Application with a non-refundable application fee of \$50.00
4. One written essay of 400-500 words
5. Two Letters of Recommendation
6. Proof of High School Graduation
7. English Language Proficiency
8. Resume (optional)
9. Headshot (optional)

Audition (Acting)

Applicants prepare one 1-minute monologue. Monologues should be Contemporary (1950s-present) and may be comedic or dramatic. Monologues should be from a published play, screenplay, television script, or web series. Monologues should be from a musical for entry into the Musical Theatre

Performance Program. We recommend reading the entire play or script to fully understand the character you are portraying. **Applicants must bring a headshot or photo to the audition.**

Audition (Singing)

Applicants prepare one song, 32-bars in length. May be from a traditional or contemporary musical. Applicants must bring their own sheet music, properly marked and in the appropriate key. An accompanist may be provided unless the applicant requests a virtual audition. In this case, if an accompanist is unavailable, it is highly recommended the applicant have a backing track.

Video

Using your one-minute audition monologue, create a supplemental video that you feel represents who you are as an actor and filmmaker. There are no limits to what “type” of video you create, as long as you feel it showcases the best part of you as an actor and as a creator of content. Your short video should show an aptitude for storytelling and video creation. The video should not be more than 90 seconds. Your video must be submitted before your audition date. Video needs to be uploaded onto a streaming platform such as YouTube or Vimeo and submitted to admissions@nycda.edu.

Essay

We strongly recommend that all applicants write or outline their essay prior to beginning the application process. Only one essay is required per applicant on this topic:

1. What do you think are the three most important qualities required to be successful in an acting career, and how do you embody or demonstrate those qualities?

Recommendation Letters

Every application must include two letters of recommendation that attest to the applicant’s personal character, work ethic, and passion for the performing arts. Recommendation letters should be from industry professionals, teachers, guidance counselors, academic advisors or a supervisor from a current or previous job. Letters from a family members or friends will not be accepted.

Transcripts

Every application must be accompanied by the following:

- an official or, at least, an unofficial academic transcript of the applicant’s high school/secondary education.

At the time of applying, applicants may send current, in-progress transcripts for review.

Please know, all students who apply for the two-year AOS degree programs must show official proof of a high school degree/diploma or the equivalent by the last day of the add/drop period of that Program’s starting term. Official final high school transcripts are sent directly from the student’s high school to NYCDA. See **Proof of High School Graduation** below for more information.

International applicants: Every application must be accompanied by original transcripts, examination scores, or mark sheets sent directly to NYCDA from each examination board and/or school that the applicant attended. All international transcripts must be provided with a credential evaluation and English language translation. The evaluation must indicate that the applicant has received the equivalency of a U.S. high school diploma and must show a course by course evaluation and GPA. The evaluation is at the applicant’s expense.

Homeschooled applicants: Every application must be accompanied by home school transcripts with grades, degree completion and graduation date. The degree must be recognized as been earned from a high school program by the Department of Education in the state the student was homeschooled, just as it is for all students.

Proof of High School Graduation

All official, final high school transcripts submitted must indicate degree completion and conferral date. GED, HiSet, or TASC diplomas must be accompanied by test scores. The New York Conservatory for Dramatic Arts welcomes applications from home-schooled students. All applicants must provide proof of secondary education completion before the start of the program.

New York State Education Department (NYSED) has standards set in place to ensure that degree candidates at colleges and universities in New York State demonstrate satisfactory preliminary education needed to obtain a college degree. NYSED offers students and applicants 6 alternatives to prove preliminary education in order to receive a college degree. NYCDA requires one of these standards be met before an applicant may start the program.

1. Student has a High School Diploma

Graduates of non-public high schools in New York State: Only public high schools and registered non-public schools are permitted by New York State Education Law to issue high school diplomas.

Graduates of a high school located in another state or a high school program of correspondence study: When a student has graduated from high school in another state, to be acceptable for purposes of NYSED college degree conferral (sect.3.47), request proof that the high school or its program of study is recognized, authorized, or approved by the state educational entity having jurisdiction (an official high school transcript or see other alternatives).

2. Student completed the substantial equivalent of a four-year high school course

Superintendent of schools or comparable chief school administrator certification: Certified in writing that the program of study is substantially equivalent to a four-year high school program. NYCDA will maintain this certified statement in the student's file to demonstrate compliance with the preliminary education requirement for earning a college degree.

3. Student has a High School Equivalency Diploma

High School Equivalency through the completion of one of the following: General Educational Development (GED) diploma, Test Assessing Secondary Completion (TASC) exam or HiSet exam results.

4. Student has College Transcript with at least 24 semester hours

Completed 24-semester hours or equivalent of the following coursework:

6 semester hours or equivalent in English Language Arts

3 semester hours or equivalent in Mathematics

3 semester hours or equivalent in Natural Sciences

3 semester hours or equivalent in Social Sciences

3 semester hours or equivalent in Humanities

6 semester hours or equivalent in the registered degree program

5. Student has previously earned Post-Secondary Degree

Granted a degree from a regionally accredited degree-granting college or university.

6. Student has passed approved examinations

Passed 5 New York Regent examinations or approved alternative assessment for these examinations:

English, Science, Mathematics, U.S. History and Government, Global History and Geography

GED Diploma and Score Requirements

Applicants with a GED diploma must send a copy of the diploma along with his or her GED test scores. These are both available through any State Education Department. Please note, the New York Conservatory for Dramatic Arts does not accept other countries' versions of the GED.

Language Proficiency

Applicants whose first language is not English must provide proof of English language proficiency by providing one of the following:

1. Scores from the TOEFL or its equivalent (IELTS, Cambridge, etc.) Minimum TOEFL scores required of any one test:
 - iBT (internet-based): Reading – 15, Listening – 22, Speaking – 26, Writing – 17
 - PBT (paper-based): Reading – 50, Listening - 56, Structure – 55, TSE Speaking score - 45
 - CBT (computer-based): Reading – 17, Listening – 22, Structure - 22, TSE Speaking score – 45
2. Transcript with cumulative GPA 3.0 or above showing the applicant studied one academic year at a secondary or post-secondary institution where all course work was taught in English.
3. Audition Interview. In place of the two requirements above, an International Admissions Advisor may authorize proof of English proficiency based on the audition interview with the Applicant.

Under certain circumstances, the successful completion of an admission interview designed to evaluate English language skills will satisfy the English language proficiency requirement.

Resume (optional)

A resume should detail how an applicant has spent his or her time outside of school, e.g. jobs, sports, clubs, honor societies, volunteer work, school or regional Theater experience, or any other activities. Resumes are particularly important for applicants who have been out of high school for more than three years.

Transfer of Credit Policy

Transferring Credits to NYCDA from other schools

NYCDA has a program-based curriculum and may accept transfer credits from accredited institutions equivalent to 33 credit hours of our Film and Television Performance, Musical Theatre Performance Program and New Media for Actors Programs' Platform Year curricula. These transfer students may apply to transfer into the Film and Television Year, the Musical Theatre Performance Year or the New Media Year respectively. All admission requirements must be met and delivered directly to the Admissions Office, including official high school transcript(s) for transfer of credits. Any course work in progress must be reflected in an official transcript before final admission.

A minimum grade of C- is required for transfer credit. Grades from transfer credits are not computed into the NYCDA GPA. Transfer applicants may be required to register for prerequisite courses at additional expense in order to meet the requirements for graduation.

NYCDA recognizes that not all learning takes place inside classrooms and that a significant amount of education can occur through performance work onstage or in film and television. The Academic Committee may consider awarding life experience credits up to the equivalent credit requirements for the Platform Year of the Film and Television Performance, Musical Theatre Performance and New Media for Actors Programs. Those transfer applicants must submit an extensive portfolio describing their acting work (e.g., projects with names of directors and producers), their roles and responsibilities on set and/or stage, learning outcomes, and any nominations, awards, or acclamations they may have received. Portfolios are expected to have detailed and objective documentation to support the applicant's claim to learning and knowledge.

NYCDA may also accept credit by examination. Credit by Examination (CBE) allows a student to receive college credit for prior learning by demonstrating mastery of course outcomes – skills and knowledge – by taking NYCDA course-specific examinations. Credit is granted for demonstrated proficiency of course-specific requirements by the student through successful completion of the examination.

Contact the Admissions office at 888-645-0030 ext. 4080 to start the transfer application process.

Transferring NYCDA credits to other schools

NYCDA is an institutionally accredited member of the National Association of Schools of Theatre (NAST). Credits earned at NYCDA may be transferable to other post-secondary institutions/programs. However, when transferring NYCDA credits, please note that a grade of C or below may not be accepted by some colleges/universities. Acceptance of your application and earned credits are at the discretion of all receiving institutions. NYCDA provides national accreditation. Please be aware that some regionally accredited schools do not accept national accreditation for credit transfer.

Articulation Agreements: All graduates of the Film and Television Performance and Musical Theatre Performance Programs may transfer up to 60 credits earned from NYCDA towards a self-designed B.S. degree in Liberal Arts at The New School.

Film and Television Performance Program graduates wishing to pursue a bachelor's degree can leverage our articulation agreements with two additional institutions. The Theater Program at Adelphi University in Garden City, New York admits our Film and Television Performance Program graduates into their B.F.A in Theatre Arts: Acting Program as juniors. Saint Peter's University in Jersey City, New Jersey accepts 60 NYCDA Film and Television Performance Program credits towards a B.A. in Communication and Media Culture OR a B.A. in Fine Arts.

Students will still have to be accepted by the above partner schools and the respective programs of study through their regular admissions process, which may include auditioning in order for the articulation agreement to apply.

Student Union

NYCDA does not provide a student union.

Requirements for Residence

NYCDA does not have requirements for residence.

Food Services

NYCDA does not provide institution-operated food services.

Accreditation, Authorization and Approval

NYCDA is an accredited institutional member of the National Association of Schools of Theatre (NAST), meets the eligibility requirements of the U.S. Department of Education, and is approved for participation in selected Title IV student aid programs. Financial aid is available for eligible students enrolled in the Film and Television Performance Program, Musical Theatre Performance Program, or the New Media for Actors Program.

NYCDA's Film and Television Performance, Musical Theatre Performance, and New Media for Actors Programs are registered by the State of New York to grant the Associate in Occupational Studies (AOS) degree. Federal and state regulations require that students be advised that enrollment in programs other than registered or otherwise approved programs may jeopardize a student's eligibility for certain student aid awards.

NYCDA's program of education is approved by the State of New York Division of Veterans' Affairs for the training of veterans and other eligible persons in accordance with the provisions of Section 3675, Title 38, U.S. Code.

The school is authorized under Federal immigration law to enroll non-immigrant students.

NYCDA Degrees

NYCDA awards the following:

Associate in Occupational Studies (AOS) in Film and Television Performance

Registered HEGIS Code: 5610.00

Minimum credits required for graduation: 62 Credits

Maximum credits possible: 69 Credits

("HEGIS" stands for Higher Education General Information Survey.)

Associate in Occupational Studies (AOS) in Musical Theatre Performance

Registered HEGIS Code: 5610.00

Minimum credits required for graduation: 70 Credits – For students beginning 2021-2022

69 Credits – For students beginning 2022-2023

Associate in Occupational Studies (AOS) in New Media for Actors

Registered HEGIS Code: 5610.00

Minimum credits required for graduation: 63 Credits

Associate in Occupational Studies (AOS) in Theatre Performance

Registered HEGIS Code: 5610.00

Minimum credits required for graduation: 65 Credits

Graduates of the AOS Programs should be aware that transferability of the credits you earn at NYCDA is at the complete discretion of the institution to which you may seek to transfer. If the credits or

degree you earn at NYCDA is not accepted at the institution to which you seek to transfer, you may have to repeat some or all of your coursework at that institution. Students wishing to use credits for transfer are advised to contact colleges of interest for their transfer policies.

Academic Honesty

All students at The New York Conservatory for Dramatic Arts must abide by standards of academic integrity. Any violation could result in exam/assignment failure, course failure, or expulsion. NYCDA reserves the right to keep record of any academic dishonesty in the student's permanent file.

Violations of this policy include:

- Plagiarism: Using someone else's work and calling it your own or failing to cite a source.
- Fabrication or Deception: The falsification of information. This includes citing invented sources in course papers. It also includes falsifying reasons for missed work or rehearsals.
- Cheating: Giving to or obtaining inappropriate assistance from other students during or for quizzes, exams, and/or assignments. This includes having someone else write your papers or reports.

Grade Appeal

The New York Conservatory for Dramatic Arts is dedicated to accuracy in all grading procedures. If a student feels that published grading measures were not applied and wishes to appeal the grade, he/she must complete and submit a *Grade Appeal Form* to the Registrar's Office within 14 days of email notification that grades have posted online. Instructions are on the form. Students should not communicate directly to their instructor regarding grade appeals or changes. Please be advised that all grade appeal decisions from the Academic Committee are final. The *Grade Appeal Form* may be requested from the Registrar's Office at registrar@nycda.edu.

Academic Petition

Students who wish to appeal an NYCDA determination or are requesting a deviation from the academic regulations should contact the Registrar's Office for an *Academic Petition Form*. Please be advised that all academic petition decisions from the Academic Committee are final. The *Academic Petition Form* may be requested from the Registrar's Office at registrar@nycda.edu.

Good Academic Standing

To remain eligible for State student financial assistance, a student must remain in Good Academic Standing. Two elements make up Good Academic Standing: making Satisfactory Academic Progress toward a degree, and pursuing a program of study. Satisfactory Academic Progress (see [Satisfactory Academic Progress policy](#)) is a measure of the student's *achievement*, of earning credits towards a degree with a specified grade point average. Pursuit of a program is a measure of the student's *effort* towards completing a program.

Program pursuit is defined as completing—getting a grade in—a percentage of the minimum full-time course load in each term an award is received. The percentage, as specified in regulations, begins at 50 percent of the minimum full-time course load in each term of the first year an award is received, to 75 percent in each term of the second year an award is received.

Pursuit is an effort or completion requirement rather than an achievement requirement, so courses in which a student receives either passing or failing grades can be used to satisfy the pursuit requirement. Thus, grades of A through F and any other grade that indicates the student completed the course and all necessary assignments are acceptable to meet the pursuit requirement. W grades or any grade which indicates the student failed to complete the course or assignments cannot be used to satisfy the pursuit requirement.

Incomplete (I) grades can be used to meet the pursuit requirement providing college policy requires the grade to be resolved to a passing or failing grade no later than the end of the subsequent term.

For students entering in 2022-2023:

To be in Good Academic Standing, students entering in 2022-2023 must maintain a cumulative end-of-year GPA of 2.50 (does not include GPA from the 4-week Summer Programs or GPA from a previous college), and must not have any outstanding grades of F or Incompletes in any class. Students with a GPA of 2.50 or higher are automatically accepted into their second year. Students with a GPA between 2.0 and 2.5 will be allowed to continue into their second year on Academic Probation.

For students entering in 2023-2024:

To be in Good Academic Standing, students entering in 2022-2023 must maintain a cumulative end-of-year GPA of 2.00 (does not include GPA from the 4-week Summer Programs or GPA from a previous college), and must not have any outstanding grades of F or Incompletes in any class. Students with a GPA of 2.0 or higher are automatically accepted into their second year. Students with a GPA between below 2.0 who have a path to achieving a 2.0 in their second year may be allowed to continue into their second year on Academic Probation.

NYCDA requires that students be in Good Academic Standing to qualify for the following:

- Federal Work Study and Student Worker positions
- Registration for electives in the Film and Television Year

Participation in some events and/or classes may require a higher GPA for a semester or single course. In those circumstances, students are notified in advance via [Conservatory email](#).

Students who fail to meet the requirements of Good Academic Standing are contacted by the Registrar and may be placed on Academic Probation.

Good Academic Standing is not to be confused with Satisfactory Academic Progress (see [Satisfactory Academic Progress policy](#)).

Prerequisites

Conservatory training is highly structured, and each class builds upon skills taught in previous classes. Students are expected to successfully pass all classes that are indicated as the first or second semester of a two or three-semester arc of study, respectively. For example, Voice and Speech I needs to be passed, as it is the prerequisite for Voice and Speech II; Movement for Actors I is the prerequisite for Movement for Actors II, etc.

There are specific prerequisites for participation in the Film and Television Performance Program class, THE264 Research, Rehearsal, and Performance (Final Reel). They are:

- A minimum 2.50 GPA for the Fall term of the Film and Television Year
- A minimum 2.50 GPA for the Spring mid-term of the Film and Television Year
- No final grades of F or Incomplete, including the Spring term of the Film and Television Year

All Electives require a GPA of 2.50 for participation. Certain electives may require higher GPA's in specific courses as well. See specific Electives for course requirements.

Failure to Pass a Course

Any student who receives a grade of F in any course at The New York Conservatory for Dramatic Arts may not be invited to continue in the program for the next semester. A grade of F in any course in a two-semester arc (Meisner, Voice, Scene Study, Actors Lab, Movement, Acting, Theater History, etc.) may prevent a student from moving forward.

If a student fails a course that is not part of a two-semester arc (Film Genres, Improvisation, etc.), the student may be allowed to retake that course with the approval of the Academic Committee.

Failed courses must be retaken no later than the second semester of the student's final academic year to be eligible for graduation. If required coursework with a grade of F is not retaken, a Diploma is not awarded. A student may only repeat a class once. Both the grade for the failed course and the repeated course will appear on the student's transcript, but only the repeated grade will be used in determining the student's cumulative GPA. Repetition of any courses is at the student's expense and is subject to the current tuition and fees or remedial coursework fees. The student should contact the NYCDA [Registrar's Office](#) with any questions.

Students who request an Incomplete (INC) grade due to reasons stated under the [grading system](#) of this Catalog, must do the following:

- 1) Submit an *Incomplete Grade Request Form* to the Registrar's Office for approval prior to the end of term.
- 2) Provide the Registrar with required documentation indicating disabling illness or catastrophic personal circumstances preventing you from completing course work.
- 3) Complete course work within time frame indicated on the approved request.
- 4) Pay any fees associated with making up the course work, if required.

Failure to make up coursework within the required time frame will result in a grade of "F" in the course.

Electives

Film and Television Performance Program students with a GPA of 2.50 are offered the opportunity to take an elective during their Film and Television Year; certain electives may require a higher GPA in specific prerequisite courses. See Elective list for specific requirements. A student can add or drop an elective without academic penalty by filling out an *Add or Drop Form* and submitting it to the Registrar's Office **before** the second class meeting of the class they are enrolled in and/or, if adding/switching, the class they are enrolling in. Once notified, the Registrar adds (if space is available) or drops the course. If dropped, the course does not appear on the student's academic transcript. After the second class meeting, the student will incur academic penalty on their academic transcript.

Internships

In the Film and Television Year of the Film and Television Performance Program, students may complete 25+ internship hours over the course of their second year. Final grades are administered at the end of spring term for [THE241 Professional Internship](#). Though students may earn 1 credit for a minimum of 25 hours per year, long-term and summer internships may also be available. We *cannot* guarantee you hours solely from the internships with which we provide you. We strongly recommend you procure your own (outside) internship(s) in the field of acting and that you do not rely on the

Conservatory to provide all desired hours. *Professional Intern Evaluations* and *Student Internship Reports* must be completed in order for you to earn credit for your internship hours. These forms can be obtained from the [Office of Student Services](#). See the course description for [THE241 Professional Internship](#) in this Catalog to learn how you can earn more than 1 credit for this course.

Make-up Classes

Students are not permitted to make up classes they have missed by attending classes other than their own. Please see [Rescheduled Classes](#) for more information.

Cancellation, Withdrawal and Refund

Cancellation

A Student may cancel their enrollment at NYCDA on or before the published [add/drop date](#) following the first day of regularly scheduled instruction. The student will receive a complete tuition refund excluding the \$50.00 Application Fee and \$400.00 Tuition Deposit. Refunds will be made within forty-five (45) days of cancellation.

To cancel, the student must provide NYCDA a written notice stating the student's intent to cancel by mail, email or in person. If the notice is deposited in the mail, it is deemed effective as of the date of the postmark, if properly addressed with proper postage. If emailed, it is deemed effective as of the date the email was electronically delivered.

Withdrawal

Any student who decides to drop after the published add/drop date following the first day of regularly scheduled instruction will be considered withdrawn and refund calculations will be performed as detailed in the table below.

A student has the right to withdraw from NYCDA at any time. You may officially withdraw by giving written notice to Student Services by mail, email or in person. If the notice is deposited in the mail, it is deemed effective as of the date of the postmark, if properly addressed with proper postage. If emailed, it is deemed effective as of the date the email was electronically delivered. A refund will be based on NYCDA's refund policy.

Refund Policy

NYCDA's refund policy applies when a student has withdrawn (officially or unofficially). For the purposes of determining a refund, a student is deemed to have withdrawn when any of the following occurs: the student officially withdraws by submitting a notice of withdrawal; the student fails to attend classes for a period of 14 days; NYCDA dismisses the student for non-compliance with its rules and policies; or the student fails to return from an approved leave of absence.

All refunds are based on the student's last day of attendance. The \$50.00 Application Fee and \$400.00 Tuition Deposit are non-refundable. Any refund will be made within forty-five (45) days of withdrawal.

Withdrawal Occurred:	Tuition Refund Amount:
Within the first week of a term	Full refund of tuition for that term
During the second week of a term	85% refund of tuition for that term
During the third week of a term	75% refund of tuition for that term
During the fourth week of a term	65% refund of tuition for that term

During the fifth week of a term	60% refund of tuition for that term
During the sixth week of a term	55% refund of tuition for that term
During the seventh week of a term	50% refund of tuition for that term
During the eighth week of a term	45% refund of tuition for that term
During the ninth week of a term	40% refund of tuition for that term
After the ninth week of a term	No Refund

If any portion of the tuition was paid from the proceeds of a student financial aid loan, the refund shall be sent to the lender or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received. Furthermore, any remaining amount shall be sent to the above-named party, if any, up to but not exceeding the amount stated above.

Outstanding Balance: If there is a balance due at the time of withdrawal, arrangements must be made with the Business Office to make sure the balance is paid in full. If no arrangements for payment are made, the debt may be referred to a collection agency and the student’s credit may be adversely affected.

Payment of Tuition and Fees

A \$50.00 non-refundable Application Fee is due at the time the student submits their application for admission to NYCDA. If accepted, a \$400.00 non-refundable Tuition Deposit is due at enrollment. Methods of payments include: (a) full payment for the term no later than the tuition due date on the signed Enrollment Agreement; (b) Tuition Deposit paid at the time of signing the Enrollment Agreement with balance paid no later than the tuition due date on the signed Enrollment Agreement; or (c) Tuition Deposit paid at the time of signing the Enrollment Agreement with payments made according to an approved payment plan and/or financial aid disbursement(s).

If remaining balance is not paid by the tuition and fees due dates or the student is not on an approved payment plan and/or receiving financial aid, student may be automatically withdrawn from the Program and moved to a waitlist. For any student who wishes to have his/her parents or guardians deal directly with the Business Office, please fill out the *Consent for Release of Records Form*, which can be obtained from the Registrar's Office.

Return of Title IV Funds ("R2T4")

NYCDA participates in the federal financial aid program known as Title IV. Title IV funds include Pell grant, SEOG grant, Direct Subsidized loan, Direct Unsubsidized loan, and Direct Plus loan. In compliance with Federal regulations, when a student withdraws or is dismissed from NYCDA prior to the end date of a payment period, NYCDA will determine how much federal financial aid a student has earned or not earned. A Federal Return of Title IV Fund calculation will be completed first and applicable funds returned.

Returned funds will be reduced from all federal payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to NYCDA. The Federal Return of Title IV Funds formula dictates the amount of federal Title IV aid that must be returned to the federal government or the lending institution by the school and/or student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws on or before the 60% point in the payment period. The Return of Title IV Funds calculation may result in the student owing a balance to the Federal Government and, in some cases, to NYCDA. If a student is entitled to a refund based on the Title IV calculation, refunds are made within forty-five (45) days of dismissal or withdrawal. If a balance is owed to NYCDA, the student will need to make a payment arrangement with the Business Office to pay monies owed. A refund will be issued in line with our refund policy. Students who receive loans are responsible for repaying the loan amount, plus any interest, less the amount refunded due to Title IV refund calculation.

Withdrawal Before 60%

NYCDA must perform a R2T4 calculation to determine the amount of earned aid up through the 60% point in each payment period and use the Department of Education's prorated schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period.

Withdrawal After 60%

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, NYCDA will still calculate the Institutional Refund and R2T4 for financial aid recipients.

To calculate the amount earned, NYCDA will determine the percentage by dividing the total number of credit hours the student was scheduled to complete in the payment period as of the last day of attendance by the total number of credit hours in the payment period. If a refund results from this calculation, federal policy requires that these unearned funds be returned to the applicable Title IV financial aid fund source. Funds are refunded to the Title IV Programs in the following federally mandated order: (1) Unsubsidized Federal Direct Loan; (2) Subsidized Federal Direct Loan; (3) Federal Direct PLUS Loan; (4) Federal Pell Grants; (5) Federal Supplemental Education Opportunity Grant (SEOG); (6) other grant or loan assistance authorized by Title IV of the HEA, as amended.

If more Federal student financial assistance has been earned than has been received, the student may be eligible for a post-withdrawal disbursement. NYCDA will notify the student of any post-withdrawal disbursement loan funds for which the student may be eligible and what steps need to be taken for the Federal financial assistance funds to be received. The student or parent, in the case of Federal Direct PLUS Loans, needs to provide permission before any loan funds may be disbursed on the student's account or disbursed to the student or parent. However, NYCDA may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition and fees, and with the student's authorization, NYCDA may automatically use the grant funds for other educationally related charges. Any balance of grant funds that may be available will be offered to the student.

If Federal student financial assistance funds need to be returned, the institution must return a portion or all of the unearned funds equal to the lesser of: the institutional charges multiplied by the percentage of unearned Federal student financial assistance funds; or the entire amount of unearned funds.

If there are remaining unearned Federal financial aid funds to be returned, the student must return any loan funds that remain to be returned in accordance with the terms and conditions of the promissory note. If the remaining amount of funds to be returned includes grant funds, the student must return any amount of the overpayment that is more than half of the grant funds received. NYCDA will notify the student as to the amount owed and how and where it should be returned.

Additional Withdrawal Policies

International Students: As required by law, notification is immediately sent to the Student Exchange and Visitor Information System (SEVIS) when we withdraw an international student from The New York Conservatory for Dramatic Arts. The withdrawn student has an obligation to follow all regulations regarding their F-1 student status. Students terminated in SEVIS for *Authorized Early Withdrawal* have 15 days to depart. All others must depart immediately. Questions can be directed to NYCDA's International Student Advisor / Designated School Official (DSO) in the Registrar's office or by accessing the "contact us" page at Study in the States (<http://studyinthestates.dhs.gov/students/>).

Grading for Official Withdrawals: See the [Academic Calendar](#) for a schedule of grade administration. Depending on the withdrawal date, students earn letter grades (A+ to F), WD, WP, or WF. Former students can access grades and order transcripts through the Student Portal by using their same login and password used while attending NYCDA.

Completion of Platform Year: Students who complete their Platform Year and do not intend to return for their second year of study must notify the Registrar's Office of their decision to withdraw from NYCDA at the end of the academic year.

Graduation

Graduation Application

In the last term of the student's program graduating students must fill out an *Application for Graduation*. Additional requests for a Diploma, whether or not the student received the document, are considered a request for a replacement. The fee for a replacement Diploma is \$50, plus shipping and handling costs.

Program Completion

In order for a student to be considered a graduate of his/her program of study, he/she must complete all required courses*. All course work must be completed within one and one half (1.5) of the length of time of the student's program of study. Students must also fulfill all financial obligations to NYCDA. Direct Loan recipients must follow federal laws regarding their [exit interview](#). If a student has a balance due or has not completed their [exit interview](#) upon completion of their program, their diploma or degree will be held by NYCDA until the balance has been paid.

*The only courses not required for graduation with an AOS degree are for the Film and Television Performance Program: Electives, THE264 Research, Rehearsal, Performance (a.k.a. Final Reel) and THE241 Professional Internship.

Student Professional Responsibilities

Professional Guidelines

One of the most integral parts of The New York Conservatory for Dramatic Arts' training is how to be a professional. It begins on day one at NYCDA. Students are expected to take responsibility for their education and actions and must remain the primary contact for all Conservatory related issues. Please also refer to the [Code of Student Conduct](#) for additional requirements.

Professional guidelines checklist:

- Smoking and vaping shall not be permitted, and no person shall smoke or vape in all NYCDA facilities.
- The use or sale of alcoholic beverages or drugs are prohibited on NYCDA premises. See [Illegal Drugs and Alcohol](#) policy for more
- Food, beverages, and/or chewing gum may not be brought into the studios.
- Students may not enter into private study with any faculty member.
- Students are expected to conduct themselves professionally.
- Auditing of classes or rehearsals by family or friends is prohibited. Also see [Auditing](#).
- Studios and hallways must be treated with respect. NYCDA corridors on floors 2, 3 and 4 are designated *The Quiet Zone*.
- Students are responsible for damage or defacement of studios or studio property. Please be aware of your surroundings and treat the studios with respect. The bursar will generate bills for repairs which must be settled before the end of each semester.
- Hallways must be kept clear for foot traffic (no lying down or creating obstructions).
- Rehearsal rooms must be booked with Operations at the front desk.
- Noise must be kept to a minimum in all common areas (remember: classes are in session).
- Garbage and recycling must be disposed of in proper receptacles.
- Operations must be notified of any issues relating to the conditions of the restrooms or studios.

- Students must check their [Conservatory email](#) accounts daily and respond to messages promptly.
- No pets are allowed on NYCDA's premises with the exception of service animals and emotional support animals approved by NYCDA as an [accommodation](#).

Attendance

Learning to act, sing and/or dance requires consistent attendance and physical training. To maintain a professional atmosphere, students must commit to attending all scheduled classes. Any absences will affect learning outcomes and overall grades.

Absence

- There are no excused absences.
- If a student will be absent, they must communicate with Student Services and their individual Instructors via Conservatory email.
- Students are responsible for contacting Instructors for missed assignments.
- After 2 absences, a student will be required to meet with Student Services and will be given an Academic Attendance Warning.
- If the student continues to incur absences after being put on Academic Attendance Warning, they will be required to meet with the Registrar to formulate a plan of action.
- If the student continues to incur absences, their Programmatic Head may make the determination of dismissal.
- If health or life circumstances require a student to be absent from classes for multiple days in succession, a Leave of Absence Form should be filled out with Student Services. Absences incurred during a Leave of Absence will be reviewed by the Academic Committee on a case-by-case basis.
- Any student who misses 14 consecutive calendar days without a Leave of Absence Form on file may be dismissed from their program. Students may fill out a reinstatement application with the Registrar to apply for permission to return to the program.

Attendance comprises 25% of the Participation component of the student's overall grade. The overall breakdown of grading for each course is listed in the course syllabus, which will be provided to students by the Instructor.

Lateness

Students are expected to attend every class session of each course in which they are enrolled and to be on time. A lateness is counted as an absence.

- Classes begin on time.
- For the first 10 minutes after class has started, a yellow sign will be on the door stating:
Class has started. You are late and will be marked absent. Please wait at the door until your faculty member gives you permission to enter.

Students who are permitted to enter will be marked absent. This absence will be factored into 25% of the Participation component of the student's grade. Instructors will determine whether the student may work in class that day or simply observe.

- After the first 10 minutes of class, a red sign will be on the door stating:
*Class has started. **You may not enter** and will be marked absent. Please contact your faculty member directly for missed assignments or preparation for the next class.*

Disciplinary Measures

Students may be placed on disciplinary probation for any non-academic infraction of Conservatory rule or policy. Students who are on disciplinary probation remain so for the academic year. If a student is involved in a second infraction within the same academic year, he/she may be dismissed from NYCDA, resulting in a grade of WF (withdrawal fail) on the student's academic transcript for all courses in that term. Please also refer to the [Code of Student Conduct](#) for additional disciplinary measures.

Dismissal

Students may be dismissed from NYCDA for: non-compliance with NYCDA's rules and policies; failure to meet any of the conditions set forth and agreed to in this Catalog, the Enrollment Agreement, Code of Student Conduct, and NYCDA disclosures; or failure to meet financial obligations to NYCDA.

In extreme circumstances, NYCDA reserves the right to include "Ineligible to Re-Enroll" on an academic transcript and to disclose to a third party the terms of dismissal.

Dismissed students are not allowed access to the NYCDA campus.

Dress Code

Students should dress appropriately for class and for the work to be done. Individual courses may have specific requirements. Students must also wear appropriate dance clothes required for movement and dance classes. Faculty will outline class dress codes at the beginning of class. While bare feet are appropriate in some classrooms, for safety concerns shoes must be worn in hallways and all administrative areas.

Employment

The New York Conservatory for Dramatic Arts may offer its currently enrolled students employment opportunities. The most common type of employment is administrative student worker. All qualified students have an equal opportunity to apply for these positions when available. Federal work study positions are available to students demonstrating financial need through FAFSA. Note, international students are not eligible for federal work study positions.

All positions are posted and are subject to various requirements and/or restrictions. Students can contact the Financial Aid Office for more information regarding Federal work study positions.

NYCDA fully complies with applicable federal, state, and local laws that require all employees and applicants for employment be given equal employment opportunities without regard to race, color, religion, gender, nationality, age, marital status, sexual orientation, disability, military or veteran status, or status in any other protected classification. This policy applies to all terms and conditions of employment including, but not limited to, hiring, placement, promotion, termination, layoff, recall, transfer, leave of absence, compensation, and training.

Outside Engagements

To maintain students' focus on training during the academic year, Platform Year students are not permitted to accept outside dramatic arts engagements either on amateur or professional stages or in filmed or taped media without special permission of the Academic Committee. As a reminder, all absences are unexcused and missing classes may adversely affect students' grades and/or continuation in their Programs. Students in the second semester of their second year of study are encouraged to begin auditioning while maintaining their course schedules. International students on F-1 visas may obtain work authorization while enrolled in the United States through CPT (Curricular Practical Training) as per the conditions of their F-1 student status. For more on eligibility requirements, please refer to NYCDA's [Curricular Practical Training](#) policy.

Good Neighbor Policy

The New York Conservatory for Dramatic Arts recognizes that all registered students are members of a larger community. As such, we require that our students conduct themselves as professionals at NYCDA and at all associated places of business. Students found engaging in rude, threatening, vulgar, or violent behavior in the public spaces at 39 West 19th Street or at neighboring businesses are subject to the same disciplinary actions enforced within NYCDA facilities.

Recording Devices

Unauthorized recording, distribution, and/or public exhibition of classroom work are forbidden. This includes posting work online (including public social networking sites such as Facebook, YouTube, Twitter, Instagram, TikTok, etc.). Violation of this policy may result in a student's dismissal from the Programs.

Social Media Use Policy

This policy addresses the use of social media sites by NYCDA students, whether or not the use involves NYCDA's wifi network or other computer resources. Social media includes, but is not limited to: texting, blogs and social media platforms such as Twitter, Facebook, LinkedIn, Instagram, YouTube, Vimeo, and TikTok.

NYCDA is aware that members of the NYCDA community may wish to express their personal ideas, thoughts, and opinions through their private social media accounts (not administered by NYCDA). Nevertheless, NYCDA students are expected to conduct themselves in a professional manner at all times. NYCDA reserves the right, under circumstances it deems appropriate and subject to applicable laws and regulations, to impose disciplinary measures. Such disciplinary measures include dismissal from NYCDA for students who use social media in violation of the guidelines in this policy, in ways that reflect poorly on NYCDA, or interferes with the education of other students and/or the operation of NYCDA. In appropriate cases, the conduct may also be reported to law enforcement authorities.

In connection with the use of social media, the conduct listed below is prohibited:

- Using social media to harass, threaten, insult, defame or bully another person or entity.
- Making threats of injury to any student, customer, member of faculty or staff, officer or board member, including threats concerning their respective family members or personal property.
- Making comments that insult, disparage, disrespect or defame NYCDA or members of the NYCDA community.
- Making discriminatory or harassing comments that violate federal or state law and/or would be prohibited by NYCDA's Non-Discrimination / Anti-Harassment policy and/or Title IX policy.
- Violating any intellectual property law, such as copyright, trademark, fair use and/or financial disclosure law.
- Posting copyrighted content (such as text, video, graphics or sound files) without permission from the holder of the copyright.
- Posting trademarked content (such as logos, names, brands, symbols and designs) without permission from the trademark owner. The "®" symbol indicates that the mark is federally registered and the owner has the exclusive right to use it. The "TM and SM" symbols indicate that the owner may have common-law rights, but the mark is not federally registered.
- Posting a person's photograph or video image of a student, faculty or staff member without obtaining their permission.
- Posting images or comments which are vulgar or obscene, or would otherwise violate any applicable law.
- Recording, posting, distribution, and/or public exhibition of classroom work is strictly forbidden.

For any questions regarding this policy, contact Sara Buffamanti, Artistic Director, at sbuffamanti@nycda.edu.

Copyright Policy

NYCDA has a zero-tolerance policy for copyright violations, and requires all students, employees and agents to abide this policy. Copyright exists in any original work that exists or is fixed in any tangible medium of expression. Images displayable on computer screens, computer software, music, books, magazines, scientific and other journals, photographs and articles, are some of the things subject to copyright. A copyright notice is not required. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

NYCDA may monitor use of the NYCDA network or utilize other technical means to attempt to detect and identify indications of copyright infringement, including unauthorized peer-to-peer file sharing. Any student, employee or agent who engages in the unauthorized distribution of copyrighted materials, including unauthorized peer-to-peer file sharing, is subject to disciplinary actions by NYCDA, or if applicable, in conjunction with federal and state law.

The unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject you to civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq

NYCDA, in connection with its IT management will periodically review the legal alternatives for downloading or otherwise acquiring copyrighted material. NYCDA will make these review results available to students via the website or alternative means and to the extent practicable, will offer legal alternatives for downloading or otherwise acquiring copyrighted material. NYCDA will also periodically review the effectiveness of the plans used to combat the unauthorized distribution of copyrighted materials.

Physical and Emotional Demands of the Program

Acting training involves playing characters who may not share a student's background or beliefs. Teachers assign scenes, monologues, and exercises solely based on the learning objectives for the course and the developmental needs of the individual student. Students are expected to participate in every class activity, scene, or assignment.

Study at the Conservatory consists of intense training in acting, singing and movement. The program demands both physical and emotional stamina, including:

- Dance and physical training requiring vigorous movements of all parts of the body for two to three hours at a time.
- Vocal training requiring breath control, vigorous and varied use of voice and body for two to three hours at a time.
- Mobility to twist, bend, stoop, and get down on the floor.
- Ability to speak clearly.
- Emotional availability to strong content in scenes and exercises, including experiencing strong emotions, both positive and negative, use of strong language including cursing and profanity, conflict and confrontation of their characters with other characters within scenes and exercises, playing characters with different sexual orientation, gender identity, religious beliefs and ethnicity than their own.
- Ability to accept feedback and criticism.
- Physical availability to requirements of scenes and exercises, including close physical contact with other students.
- Some scenes may require students to be in a bed together, kiss, and/or behave towards each other in a sexual, intimate or violent manner. Intimacy training will be provided for such scenes.
- Students must be able to watch as well as perform such scenes and exercises.

International Students

The U.S. government regulates the immigration status of international students through the Student and Exchange Visitor Information System (SEVIS) (<http://www.ice.gov/sevis>). International students must comply with all U.S. government regulations relating to their F-1 student immigration status (for quick reference students should be familiar with the third page of the *Form I-20*). International students are personally responsible for knowing and closely following the regulations and procedures that apply to their F-1 student status.

International students must stay in contact with NYCDA's Designated School Officials (DSOs), who are responsible for making sure student information is current in SEVIS. The DSO advises international students about travelling outside the United States and on-campus employment, updates contact information, and enrollment status changes, re-issuing and signing *Form I-20s*, Curricular Practical Training (CPT), and applying for Post-Completion Optional Practical Training (OPT). International students can contact the Registrar's Office (registrar@nycda.edu) for a Designated School Official (DSO).

International students can obtain their own health insurance; NYCDA does not offer health insurance coverage. Please contact your Admissions Representative for information about your healthcare coverage options. International Students' Health Insurance Policy costs are estimated at \$2,000.

See Medical Insurance for more details.

It is highly recommended for international students to access SEVIS regulatory information from the Study in the States (<http://studyinthestates.dhs.gov/students/>) website.

Conservatory Policies and Procedures

Auditing

There is no auditing of any Conservatory class for academic record. This does not include occasional observation of other classes, which may be allowed only with the Academic Committee's permission.

FERPA Notification

What is FERPA?

The Family Educational Rights and Privacy Act of 1974 (otherwise known as FERPA) is a federal law that protects the privacy of educational records. Students are notified annually of their FERPA rights on The New York Conservatory for Dramatic Arts' website and in this Catalog.

Who does FERPA protect?

Any student, regardless of age, who attends or has attended The New York Conservatory for Dramatic Arts, falls under FERPA's protection. Attendance starts the first day of class.

What rights do students have under FERPA?

1. The right to inspect and review education records. A student has the right to inspect and review his or her education records within 45 days of the day the Registrar's Office receives a written request for access. A student should submit to the Registrar's Office a written request that identifies the record(s) the student wishes to inspect. The student is notified of the time and place where the records may be inspected. NYCDA is not required to provide a student access to inspect or review financial information submitted by parents, confidential letters and statements of recommendation to which a student waived his or her right to inspect and review, education records containing information about more than one student (NYCDA permits access to that part of the record that pertains only to the inquiring student), and those records excluded from the FERPA definition of education records.
2. The right to request an amendment of education records. If a student believes his or her education records contain information that is inaccurate, misleading, or otherwise in violation of his/her privacy rights under FERPA, the student can request NYCDA amend a record by clearly identifying the part of the record the student wants changed and specifying why it should be changed. All requests to amend a record should be submitted in writing to the Registrar's Office, who forwards the request to the responsible Conservatory official. If NYCDA decides not to amend the record as requested, NYCDA notifies the student in writing of the decision and the student's right to a hearing with the Academic Committee regarding the amendment request. Additional information regarding the hearing procedures is provided to the student when notified of the right to a hearing. If the Academic Committee decides not to amend the record, the student may have a statement placed in his or her record that comments on the accuracy of the information and/or setting forth any basis for inaccuracy.
3. The right to have some control over the disclosure of information from education records. With certain exceptions as listed below, NYCDA cannot share a student's education records without the written consent of the student, specifying the records to be released, the purpose of the disclosure, and the party or class of parties to whom disclosure may be made. To permit the release of information, a student must fill out the form titled, *Consent for Release of Records*. A

student can also share his/her Campus Café account (grades, GPA, etc.) with a parent/guardian/friend by filling out a Request for Shared Access form. Both forms are available from the Registrar's Office. The student should submit the completed form to the Registrar's Office.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by NYCDA to comply with FERPA requirements. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901.

What is an Education Record?

Any record that contains information that is directly related to a student and is maintained by NYCDA or by a party acting on behalf of NYCDA.

What is not an Education Record?

- "Sole possession note" (a note about a student which is not shared with anyone else; "memory jogger")
- Alumni record
- Employment record that is not contingent on the fact that he or she is a student
- Record relating to a student which is made or maintained by medical professionals and is used in the treatment of a student and is disclosed only to individuals providing that treatment

To whom may NYCDA release education records without the student's written consent?

- To Conservatory officials with legitimate educational interest
- Upon their request, to officials of other schools in which a student seeks or intends to enroll or is enrolled
- To certain federal, state, and local authorities
- To specified officials for audit or evaluation purposes
- To appropriate parties in connection with financial aid to a student
- To organizations conducting certain studies for or on behalf of NYCDA
- To accrediting organizations
- To comply with a judicial order or lawfully issued subpoena
- To appropriate officials in cases of health and safety emergencies
- To parents/guardians who submit proof that the student has been declared a dependent on their most recent Federal Income Tax form
- To the victim of an alleged perpetrator, the final results of a crime of violence or a non-forcible sex offense in connection with a disciplinary proceeding
- To the general public, the final results of a disciplinary proceeding, if the Conservatory determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and in violation of the Conservatory's rules or policies with respect to the allegation made against him or her.
- To parents regarding alcohol and drug violations of a student under 21 years of age
- To third party requests for Directory Information

What is Directory Information?

Directory Information is generally not considered harmful or an invasion of privacy if disclosed. Under the terms of FERPA, The New York Conservatory for Dramatic Arts has established the following as directory information:

- Student's name, address(es) and telephone numbers
- Email address(es)
- Participation in officially recognized activities
- Dates of attendance
- Major field of study
- Diplomas, honors, and awards received
- Most recent previous school attended
- Enrollment status (e.g., full-time, withdrawn)
- Photographs/Electronic Images

Students can request that Directory Information not be released by filling out the form titled, *Request for Non-Disclosure of Directory Information*, available on the Student Portal or in the Registrar's Office.

Who is a Conservatory official?

A Conservatory official is a person employed by NYCDA in an administrative, supervisory, academic, research, or support staff position; a person or company NYCDA has contracted as its agent to provide a service instead of using NYCDA employees or officials (such as a contractor, volunteer, attorney, auditor, or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another Conservatory official in performing his or her tasks. A Conservatory official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities to NYCDA.

In what circumstances does NYCDA not provide copies of a student's education records?

NYCDA reserves the right to deny transcripts or copies of records required to be made available under FERPA in any of the following situations:

The student has an unpaid financial obligation to NYCDA.

The student has an unresolved disciplinary action.

Does FERPA apply to deceased students?

FERPA rights of an individual expire upon that individual's death; however, it is NYCDA's policy not to release educational records of deceased students unless required to do so by law or authorized to do so by (1) the executor of the deceased's estate; or (2) the deceased student's spouse, parents or children. NYCDA may request proof of death.

What constitutes possible federal and state data collection and use?

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records—including your Social Security Number, grades, or other private information—may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education

agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

Who can answer more questions about FERPA?

Contact the Registrar's Office (registrar@nycda.edu) for any additional questions about FERPA.

Financial Aid

NYCDA participates in the Federal Title IV Program. A student, who obtains a loan to pay for an educational program, will have to repay the full amount of the loan plus interest, less the amount of any refund, and if the student receives federal student financial aid, the student is entitled to a refund of the money not paid from federal financial aid funds.

Detailed information and financial aid advising are available to all applicants at the [Financial Aid office](#). Also, you may visit the [Paying for School](#) area of NYCDA's website. During the Financial Aid application process, the U.S. Department of Education randomly selects Financial Aid applications for the institution to verify. If selected, the applicant must supply documentation to verify income, assets, and household size as listed on the applicant's Free Application for Federal Student Aid (FAFSA). Applicants will be directed by NYCDA to submit income documents, complete additional verification worksheets, and any other documentation needed to verify information provided on their FAFSA.

To qualify for financial aid programs, regulations indicate that the student must:

- Apply for financial aid using the Free Application for Federal Student Aid (FAFSA) at <https://fafsa.ed.gov>
- Be a United States citizen, national, or eligible non-citizen.
- Maintain Satisfactory Academic Progress (SAP).
- Demonstrate a financial need.
- Be registered with selective service, if required.
- Not be in default on any educational loan and not owe a refund on an educational grant.

Applications

All eligible students requesting financial aid are required to file a *Free Application for Federal Student Aid (FAFSA)*. Once processed, the Department of Education sends the *FAFSA* information to The New York Conservatory for Dramatic Arts. Students may be required to submit a copy of their previous year's IRS Return Transcript and/or their parents' IRS Return Transcript. All students are encouraged to fill out a *FAFSA* as soon as the form becomes available in October. The Department of Education sends a *Student Aid Report (SAR)* within a few days if you filed your FAFSA electronically. Pending registration, aid is disbursed at the onset of each term. Students whose financial status changes during the award year are encouraged to talk to the Financial Aid Office.

Application Deadlines

To create a Financial Aid Offer letter, your FAFSA must be cleared with the Financial Aid Department. Once a letter is in place, NYCDA can apply anticipated aid to the term bills. If school begins and the add/drop period has passed without financial aid in place or payment arrangements with Student Accounts, students cannot continue. A complete financial aid file consists of:

- A completed, filed *FAFSA*
- NYCDA's receipt of an *Institutional Student Information Record (ISIR)* from the Department of Education in response to a *FAFSA* filing
- Any and all backup documents requested by the Financial Aid Office for verification
- If applicable, fully completed and signed loan applications

Entrance and Exit Interview

Federal law requires that all Direct Loan recipients complete entrance counseling and attend an exit interview. The purpose of entrance counseling is to provide the student with important information regarding their rights as a student loan borrower. No student loans can be disbursed until entrance counseling is complete. The purpose of the exit counseling is to provide the student with important information regarding loan repayment, forbearance/deferments, grace periods, loan consolidation, and loan default. The Financial Aid Office schedules these interview times. Students who fail to complete the exit interview will have their diploma or degree and official transcript held by NYCDA until the exit interview has been successfully completed.

Financial Aid Portal

The [Financial Aid Portal](#) is used to view your Financial Aid Disclosure, financial aid awards, missing documents, loan history and disbursements. Students may be required to accept awards prior to disbursements for all Title IV funds. Students should check the portal for any important updates and useful tips regarding financial aid. The link to the [Financial Aid Portal](#) can be found on the school's main website.

Disbursement and Credit Balance Refund Schedules

2023-24 Award Year	Fall 2023	Spring 2024	Summer 2024
Semester Begins	September 18	January 29	May 28
Alternative Loans Disbursed	September 18	January 29	May 28
Federal Grants and Federal Loans Disbursed	September 10	January 21	May 20
New York State Tuition Assistance Grant (TAP)	November 13	March 30	July 30
Refunds via Paper Check Processing Starts	September 28	February 09	June 08

All financial aid funds approved 10 days prior to the disbursement date will follow a different disbursement schedule than listed above. Funds are generally posted on a weekly basis. You may view your disbursed funds by logging onto your Financial Aid Portal.

If credits resulting from Title IV funds exceed charges, then a Title IV credit is created. A Title IV credit is the difference between the allowable tuition and fees against all federal aid received for the award term. If the difference results in a credit, then it is considered a Title IV credit.

A Title IV authorization form allows NYCDA to apply a student's excess Title IV funds to institutional charges, such as tuition, deposits, and housing. The student must authorize the application of these funds to non-institutional charges. If the student does not complete or grant NYCDA permission to handle this, the student may be required to pay for these charges out of pocket and then receive a refund the following semester.

Refunds are made via paper check. Once funds are disbursed to a student's account please allow 14 days for credit balances to be refunded.

In all cases, credit balance refunds are processed only after the add/drop period. See [Academic Calendar](#).

Satisfactory Academic Progress

Students are required to make satisfactory academic progress in order to continue in a program and/or receive financial aid. All students are evaluated at the end of each term to determine satisfactory academic progress. (Satisfactory Academic Progress should not be confused with [NYCDA's policy on good academic standing](#)).

For students entering in 2022-2023:

Students who fail to maintain a 2.5 GPA are considered not to have achieved satisfactory academic progress and are placed on academic probation for one term. Students may remain in a program and continue to receive financial aid while on academic probation. Notification of probation is made in person and in writing. If a student fails to maintain a 2.5 GPA or higher after this term of probation, the result may be termination of financial aid and/or dismissal from the program.

For students entering in 2023-2024:

Students who fail to maintain a 2.0 GPA are considered not to have achieved satisfactory academic progress and are placed on academic probation for one term. Students may remain in a program and continue to receive financial aid while on academic probation. Notification of probation is made in person and in writing. If a student fails to maintain a 2.0 GPA or higher after this term of probation, the result may be termination of financial aid and/or dismissal from the program.

The maximum time allowed to complete a program at NYCDA is 150% of the published normal completion time. However, The New York Conservatory for Dramatic Arts is under no obligation to compensate for missed classes or schedule extra sessions of classes in order to enable a student to lengthen the designated time for any course of study. A student who returns after a year is subject to the curricular requirements and policies defined in this *Catalog* in effect upon his or her return to NYCDA's programs.

Credit hours for courses resulting in F (Failed), WP (Withdrawal Pass), WF (Withdrawal Failure), WD (Withdrawal), and INC (Incomplete) are considered attempted credit hours and are included when calculating maximum time frame. All credits attempted are calculated in the maximum time frame. While transfer credits count toward program requirements with credit hours that are attempted or earned, they do not count in the calculation of the GPA. Transfer credits are also included in the maximum time frame calculation. Successfully repeated courses are counted as attempted and earned credit hours; however, the quality points from earlier course grades do not count in the calculation of the GPA.

To contest an unsatisfactory academic progress report, a student should follow the procedures of the [Grade Appeal policy](#) as specified in this Catalog. A student may appeal to the Academic Committee to return to NYCDA if they were previously dismissed for not meeting SAP via the Academic Petition

Form. The appeal should include information about the circumstances which affected their academic performance, how the circumstance has been resolved so it will not have any future effect on the student's academic progress. The student should also include reasons why they should be readmitted. Many factors will be reviewed when determining whether or not a student should be readmitted, including academic performance, attendance, life changes, and account balance. All appeal decisions from Academic Committee are final.

Academic Probation

Students who earn below a 2.0 GPA for a singular term are considered not to have achieved satisfactory academic progress and are placed on Academic Probation for the following term. While on Academic Probation, the student is considered to be making academic progress and will remain eligible to receive federal financial aid. If the student meets or exceeds the SAP standards during the Academic Probation term, the student will be considered to be in SAP compliance. If not, the student will be dismissed from NYCDA.

New York State Tuition Assistance Programs (NYS TAP)

The New York State Tuition Assistance Program (TAP) provides grants to students to full-time students taking twelve or more credits applicable toward their degree program per semester. Families with a New York State net taxable income (gross income minus deductions and allowances for exemptions) of \$80,000 or less may qualify for a TAP grant. The New York State Higher Education Services Corporation (NYSHESC) administers this program. To apply, New York State residents attending NYS schools can link directly to the TAP application from the FAFSA submission page. Students may also access the application directly at www.hesc.ny.gov to apply or check their application status online.

Eligibility Requirements:

- Be a United States citizen or eligible noncitizen
- Be a legal resident of New York State
- Study at an approved postsecondary institution in New York State (NYS)
- Have graduated from high school in the United States, earned a GED, or passed a federally approved "Ability to Benefit" test as defined by the Commissioner of the State Education Department
- Be enrolled as a full-time student taking 12 or more credits (applicable toward your degree program) per semester
- Be matriculated in an approved program of study and be in good academic standing
- Have declared a major no later than within 30 days from end of the add/drop period:
 - in the first term of your sophomore year in an approved two-year program; or
 - in the first term of your junior year in an approved four-year program
- Meet good academic standing requirements (see [NYCDA's policy on good academic standing](#)).
- Be charged at least \$200 tuition per year
- Not be in default on any State or federal student loan or on any repayment of state awards.
- Meet income eligibility limitations

Under the law, students are considered dependent upon their parents for TAP purposes unless they demonstrate that they are independent students. The following chart contains the requirements for independent status:

STUDENT STATUS	REQUIREMENTS FOR INDEPENDENT STATUS
Married	The applicant must be married on or before December 31st of the calendar year prior to the beginning of the academic year for which application is made.
35 years of age or older	The applicant has reached the age of 35 on or before June 30th prior to the academic year for which application is made.
22 years of age or older	The applicant is an undergraduate student who has reached the age of 22 on or before June 30th prior to academic year for which application is made AND who meets the basic conditions.
Under the age of 22	The applicant is an undergraduate student who is not 22 years of age on or before July 1st of the academic year for which application is made AND who satisfies both the basic conditions and one of the special conditions.
Military Service	The applicant was enlisted in full time active military service, was honorably discharged from such service, and has not and will not be claimed as a dependent by either parent for purposes of either federal or state income tax. Applicant must provide a copy of their DD214 showing an honorable discharge.

The basic conditions are:

- has not resided and will not reside with parents for more than six weeks; and
- has not and will not receive financial assistance or support valued in excess of \$750 from parents; and has not and will not be claimed as a dependent by either parent for purposes of either federal or state income tax.

Special Conditions

Special conditions to qualify as an independent student, and proof required to be submitted:

- **Condition:** You are a ward of the court (not including status as an inmate).
 - Documentation: Copy of a court order making you a ward of the court or appointing a guardian other than your parents.
- **Condition:** You are receiving public assistance under your own budget and not as a dependent of your parents.
 - Documentation: Budget statement or other documentation from a social service official showing receipt of public assistance other than food stamps or unemployment insurance. **NOTE: Housing Assistance/Budget Letter must be in student's name.**
- **Condition:** There has been an involuntary dissolution of your family resulting in relinquishment of your parents' responsibility and control.
 - Documentation: A sworn and signed statement from a person other than yourself or your parents (such as a member of the clergy, a social worker, a legal aid representative, or an official at the facility or institution which has accepted responsibility for your control or care) relating to your family circumstances. The statement must include the specific reasons for relinquishment of parental responsibility and control (such as abandonment by the parents, mental and/or physical abuse by the parents, or parents being neither citizens nor residents of the United States), your relationship to the

person making the statement, and how that person has direct knowledge of your family circumstances.

- **Condition:** Both parents are deceased.
 - Documentation: Copies of death certificates for both parents.
- **Condition:** Both parents have been certified as having a total and permanent disability, or have been declared incompetent by judicial action.
 - Documentation: Medical certification and court orders. Documentation for both parents is required.

TAP Income Limits

Student Type	NYS Taxable Income Limit
Dependent undergraduate students or Independent students who are married and have tax dependents, or Independent students who are unmarried and have tax dependents, or students who qualified as an orphan, foster child or ward of the court at any time since the age of 13	\$80,000
Independent undergraduate students who are married and have no other tax dependents	\$40,000
Single independent undergraduate students with no tax dependents	\$10,000

TAP Academic Performance Chart

Programs: Associate Program						
Calendar: Semester 2010-11 and thereafter (non-remedial students)						
Before Being Certified for This Payment	1st	2nd	3rd	4th	5th	6th
A Student Must Have Accrued at Least This Many Credits	0	6	15	27	39	51
With at Least This Grade Point Average	0	1.3	1.5	1.8	2.0	2.0

TAP Ineligibility

You may become TAP ineligible due to one or more of the following reason(s):

- Repeating a course that cannot be used toward full-time enrollment for TAP eligibility
- Failed to complete the required amount of credits on your last TAP supported semester
- Have not earned the required amount of credits for the specific TAP payment granted
- Do not have the Grade Point Average (GPA) required for this payment

Repeated Courses

Repeated courses in which you have already received a passing grade cannot be included in fulfilling TAP full time study requirements. Repeated courses may be counted toward the full time study

requirement if you repeat a course that you have previously failed or have received a passing grade that is unacceptable in a particular curriculum.

TAP Appeal Process

All students receiving financial assistance through TAP are required to remain in good academic standing as defined under the NYS requirements. TAP regulations permit a one-time TAP waiver to students who fail to remain in good academic standing due to the following extenuating circumstances:

- Personal illness involving either hospitalization or extended home confinement
- Illness in the immediate family requiring your absence from classes for an extended period of time
- Emotionally disabling condition that prevented you from attending classes
- Military duty, incarceration, or other involvement with agencies of government

If a student has been deemed ineligible to receive TAP, you may apply, in writing, for a one-time waiver to the Academic Committee.

Yellow Ribbon Program

To be eligible to receive Yellow Ribbon benefits, you must be enrolled in an approved NYCDA Program, be a veteran or designated transferee (dependent or spouse) of a veteran who is entitled to the maximum benefit rate (based on service requirements) under the Post-9/11 GI Bill™. The Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program) is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. It is designed to help pay for up to 100% of a student's out-of-pocket tuition and education expenses that exceed the Post-9/11 GI Bill™ tuition benefit. NYCDA offers up to 50 awards of up to \$16,000 per student.

Grievance Procedure

A student who wishes to submit a grievance should immediately contact Student Services and outline the grievance verbally to determine if the grievance can be informally resolved. If this does not resolve the situation, then the student is advised to submit a written grievance to Student Services within 30 days. All written grievances are presented to the Academic Committee for review. The Academic Committee then makes recommendations for the resolution of the grievance. Student Services contacts the student via email as to the Academic Committee's decision, which is considered final. If the student does not file a written grievance within 30 days, Student Services emails the student to confirm that a written grievance was not submitted and the matter is considered inactive.

Non-Discrimination and Anti-Harassment

NYCDA is committed to maintaining a work and learning environment that is free from discrimination and harassment for all NYCDA employees and students. Accordingly, NYCDA does not authorize and will not tolerate any form of discrimination or harassment based on an individual's race, religion, creed, color, national origin, ancestry, sex (including pregnancy, childbirth, or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information or any other basis protected by federal, state or local law. Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status or other legally protected categories.

NYCDA does not discriminate in its employment practices or in its educational programs or activities on the basis of sex. NYCDA also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internally or externally. Reports

of misconduct, questions regarding Title IX, and concerns about noncompliance should be directed to the Title IX Coordinator. For a complete copy of the policy or for more information, please contact the Title IX Coordinator or the Assistant Secretary of Education within the Office for Civil Rights (OCR) <https://www2.ed.gov/about/offices/list/ocr/contactus2.html>. Please see NYCDA's Title IX Policy and Sexual Violence Prevention and Response Policy under Student Resources at <https://www.nycda.edu/student-resources/> for additional information including how to make a report and NYCDA's Title IX Grievance Procedure.

NYCDA cannot resolve matters that are not brought to our attention. If you believe you have experienced or witnessed discrimination or harassment, immediately report the incident to Student Services. NYCDA will thoroughly investigate all complaints. Individuals will not be retaliated against for bringing a complaint of discrimination or harassment.

Title IX Coordinator

The Title IX Coordinator is charged with ensuring NYCDA compliance to Title IX; that NYCDA addresses and prevents sexual violence, retaliation and promotes an environment safe for learning and living.

Health Emergencies

Students experiencing a health crisis while enrolled at The New York Conservatory for Dramatic Arts should notify the front desk immediately. In emergency situations where a student is unconscious or unresponsive, NYCDA calls 911 and the student's listed emergency contact(s). If a student is conscious and responsive, NYCDA asks the student to make the determination to contact 911 and his/her listed emergency contact(s). In accordance with our [FERPA](#) (Family Educational Rights and Privacy Act) policy, NYCDA provides information to appropriate parties in connection with a health or safety emergency, if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

Lost or Stolen Items

The New York Conservatory for Dramatic Arts does not supply students with lockers. Therefore, it is recommended that students refrain from bringing valuable items to NYCDA. NYCDA is not responsible for lost or stolen items; however, students can check with the reception desk on the 2nd floor for their missing item(s).

Health Insurance

Students attending college in New York City are encouraged to obtain personal health insurance coverage. NYCDA does not provide health insurance coverage for our U.S. Domestic Students. Below are options for Health Insurance Coverage Providers.

U.S. DOMESTIC STUDENTS

If you do not already have Health Insurance Coverage:

- N.Y. State of Health covers preventive care such as routine doctor visits and screenings at no additional cost. <https://nystateofhealth.ny.gov/>
- Or, visit the HealthCare Insider Website to learn more about New York Student Health Insurance Options and Healthcare Coverage and Plans. <https://healthcareinsider.com/new-york-student-health-insurance-35544>

INTERNATIONAL STUDENTS

Please contact your Admissions Representative for information about your healthcare coverage options. International Students' Health Insurance Policy costs are estimated at \$2,000.

Name Change Policy

All currently enrolled students may officially change their names on institutional records by showing evidence that their name has been legally changed. The following documents are accepted as proper evidence of an official name change:

- Certified copy of a marriage license, court order, or dissolution decree reflecting the new name in full
- Especially for non-U.S. citizens: Current passport or official proof of identity certified by a U.S. embassy abroad or by the appropriate foreign embassy in the United States.

For facilitation of records, all former names remain in the official records system to be cross-referenced.

Title IX Policy and Sexual Violence Prevention and Response Policy

NYCDA has a comprehensive set of policies on discrimination based on sex, sexual harassment, gender-based harassment, and sexual violence prevention and response. All students, staff, and faculty are educated and informed about these policies at the beginning of and throughout each academic year. The detailed policies can be found in NYCDA's Title IX Policy and Sexual Violence Prevention and Response Policy, which are available on the NYCDA public web site under Student Resources and in print from Student Services.

Rescheduled Classes

Classes cancelled due to emergencies and holidays are rescheduled as space permits. The New York Conservatory for Dramatic Arts makes every attempt to notify students of any last-minute cancellations via Conservatory email. The instructor informs the class of the make-up schedule, and students are expected to attend. Some make-up days are built into the schedule. Students are advised not to make travel plans for days prior to the last day of term per the [Academic Calendar](#).

Scholarships

Students who received scholarships in their Platform Year have their scholarships automatically renewed minus the Summer Program scholarship, if applied in their Platform year. Grants are subject to re-evaluation and are not automatically renewed. Those who have additional financial needs should contact the Financial Aid Office. You may also see the financial Assistance Available section on the school's main website, <https://www.nycda.edu/paying-for-school/>. Students may apply for the following merit-based aid for their class level:

Awards for 1 st Year Students	Awards for 2 nd Year Students
Academic Scholarship	Academic Scholarship
Talent Scholarship	Talent Scholarship
NYCDA Grant	Director's Scholarship
Event Scholarship	Event Scholarship
Joan See Scholarship	Joan See Scholarship
Summer Participation Grant*	
NYCDA Housing Scholarship	

*Applied to student's 1st year if student attended the 4-week Summer Program at NYCDA. Award does not transfer to the student's 2nd year.

Student Account Holds

The following are situations in which a student at The New York Conservatory for Dramatic Arts may have a "hold" placed on his or her account:

- Business Office hold regarding tuition or deposit payment, collections, etc.
- Financial Aid Office hold regarding incomplete financial aid paperwork, exit interviews, etc.
- Registrar's Office hold regarding incomplete address/contact info, Admission/Orientation requirements, etc.
- Library Hold regarding overdue library book(s), DVD(s), etc.

When a student is placed on a hold by any office listed above, Reception notifies the student. The student is directed to report immediately to the appropriate office(s) to resolve the reasons for the hold. Doing so allows the hold to be removed by the respective office(s), in which case the student can then resume attending class. NYCDA can also prevent a withdrawn student from re-entering.

Leave of Absence

An approved Leave of Absence (LOA) is a temporary interruption of a student's program of study and cannot exceed 180 days in a twelve-month period. Only the Artistic Director or Associate Artistic Director can approve an LOA, and only extreme circumstances concerning medical issues, family emergencies due to illness or death, or some other extenuating circumstances are reviewed. Students must provide a written request with supporting documentation to the Artistic Director. LOA forms can be obtained from Student Services. If a student fails to return to The New York Conservatory for Dramatic Arts by the date indicated on the approved *Request for Leave of Absence Form* and does not maintain contact with NYCDA, the student is administratively withdrawn from the program and a grade of WF (withdrawal fail) appears on the student's academic transcript for all courses in that term. A student's withdrawal date is the last date of attendance.

Temporary Leave of Absence

Should a personal or family issue arise that would cause a student to miss classes for a period up to 14 days, a temporary absence request should be made to the Registrar. This temporary absence request allows students to miss classes for a pre-determined time without being administratively withdrawn. The absences are listed as “unexcused”, and students are expected to show course mastery at the end of term. A temporary absence is not to exceed 14 days. Should a situation arise that would cause students to miss more than 14 days, they should contact the Registrar to discuss other options. The first day of temporary leave begins the day after the student last attended class. If the student does not return to school at the end of 14 days, he or she may be administratively withdrawn.

Student Portal and Conservatory Email

The New York Conservatory for Dramatic Arts' "Student Portal" is hosted on Campus Cafe through any available Internet browser. Useful forms, announcements and other Conservatory-related communications can be found here. Student email accounts, provided through Microsoft® Outlook Exchange, are the primary means for communication at NYCDA. Students are required to access and read their messages from NYCDA staff and faculty on a regular basis. Students can access the Student portal and Conservatory email from any device with a connection to the Internet by logging into Campus Cafe. Email can also be accessed through their NYCDA-licensed Office 365 account at www.office.com or by downloading the Microsoft® Outlook application on their phone. All email communication between students, faculty and staff must be made through the Conservatory email.

Veterans

Students applying for Veterans’ educational benefits must contact the School Certifying Official (SCO) in the Financial Aid Office (financialaid@nycda.edu) so that proper enrollment certification procedures are followed. In compliance with the Veterans Benefits and Transition Act of 2018, NYCDA certifies that beneficiaries of Ch. 31 (Vocational Rehabilitation), Ch. 33 (Post 9/11 GI Bill®), and Ch. 35 (DEA) are permitted to attend classes up to 90 days following the SCO’s certification of tuition and fees while awaiting disbursed funds from the Department of Veterans Affairs (VA) as long those students have submitted a Certificate of Eligibility (CoE) for entitlement to educational assistance (under Ch. 31, 33 or 35) from the VA to the School Certifying Official (SCO). NYCDA does not impose any late fees, denial of access to classes or other NYCDA facility, or require the covered student borrow additional funds as penalty for not meeting his or her financial obligations to NYCDA due to delayed disbursement of funds from the VA.

For our policy on Readmission. Any student who is deployed for active duty by the Armed Forces can refer to the [Veterans Readmission policy](#) found under Student Resource on NYCDA’s main website.

Weapons Policy

The New York Conservatory for Dramatic Arts restricts the presence of weapons including, but not limited to; real, prop or toy firearms, knives, and chemical agents within Conservatory premises, its surrounding areas or at outside facilities where Conservatory-sponsored events may take place. This policy applies to all students, staff, and visitors.

Exceptions to this policy are as follows:

- Federal, state, county, and municipal police officers while on duty, within their jurisdiction, or while under direction from their agency to carry weapons off duty
- Assigned security officers, who are issued a specific weapon, are qualified in the use of that weapon, and who have completed a minimum of eight hours training in the use of the weapon

- Students, staff, actors, or crew members involved in a Conservatory production or class who have received written permission to use a specific and approved weapon in a rehearsal, performance, or class

Visitors found to be in violation of this policy are asked to leave the campus or event immediately. In some cases, they may be detained, have their weapon secured, and both the person and weapon turned over to responding law enforcement officers. Students in violation of this policy may face disciplinary action, up to and including dismissal from NYCDA, termination of employment, and/or criminal prosecution. These policies exist in addition to policies set forth by any and all outside venues used for NYCDA events. An administrative dismissal for a violation of the Weapons Policy is noted on the academic transcript as “Ineligible to Re-Enroll.” Please also refer to the [Code of Student Conduct](#) for additional disciplinary measures.

Film and Television Performance Program

Award/Degree: Associate in Occupational Studies (A.O.S)

60 Weeks/4 Semesters/15 Weeks per Semester – Full Time

The Film and Television Performance Program is a two-year Associate in Occupational Studies program designed to guide the student in the acquisition of sound acting skills and the development of those skills into effective performances for the camera. This Program prepares the student for the demands of both the performance and business realities of an increasingly complex professional landscape. In the first year, students build a solid foundation through classes in acting, voice, movement, improvisation as well as on-camera technique. The second year introduces the more technical aspects of working in front of the camera, on the set, and in a voice-over studio. Students have the opportunity to do an internship, and to take an elective. At the end of their second year, students who meet academic requirements may participate in a produced film project. The goal of the Film and Television Performance Program is to produce professionally trained actors who are ready to work in the film and television business.

Musical Theatre Performance Program

Award/Degree: Associate in Occupational Studies (A.O.S)

60 Weeks/4 Semesters/15 Weeks per Semester – Full Time

The Musical Theatre Performance Program is a two-year Associate in Occupational Studies degree program designed to build the skills necessary for Musical Theatre performers, and the business knowledge required of a working professional. Rigorous courses in acting, voice and dance are taught to give students the complete education they need to be able to work in the industry. In the first year (Platform Year), students are immersed in courses that focus on building each of the skills required of a Musical Theatre performer. In the second year (Performance Year), students perfect their acting, singing, dance, audition skills, and business knowledge, as well as on-camera performance. Students participate in performance opportunities both in class and out every semester. A performance in a New York theater venue will be presented to the public and industry professionals at the end of the Performance Year. The goal of the Musical Theatre Performance Program is to create working Musical Theatre performers who are consummate professionals in the industry.

New Media for Actors Program

Award/Degree: Associate in Occupational Studies (A.O.S)

60 Weeks/4 Semesters/15 Weeks per Semester – Full Time

The New Media for Actors Program is a two-year Associate in Occupational Studies program designed to guide the student in the acquisition of solid acting skills and proficiency in the use of New Media to promote and develop their unique brand as performers. This Program prepares the student to benefit from New Media's emerging artistic and business possibilities. In the first year, students build a solid acting foundation through classes in acting, voice, movement and improvisation as well as on-camera technique. The second year focuses on all aspects of New Media (including creation, production, distribution, and business strategy) to help build and support students' careers. By the end of the program, students will have produced full-scale video productions, posted them online and contributed to their promotion. The objective of this program is for its graduating actors to enter the work force with significant knowledge of multiple career skills which have become required to create and promote their own work. Students will graduate armed with highly produced examples of their work for use as demos and calling cards.

Please note: The following equipment is required for this program:

A mobile device to record/create work and a hard drive/cloud space to store and share work in progress.

Theatre Performance Program

Award/Degree: Associate in Occupational Studies (A.O.S)

60 Weeks/4 Semesters/15 Weeks per Semester – Full Time

The Theatre Performance Program is a two-year Associate in Occupational Studies program designed to guide the student in the acquisition of sound acting skills and the development of those skills into effective performances for the theatre. This Program prepares the student for the demands of both the performance and business realities of an acting career. In the first year, students will build a solid foundation through classes in acting, voice, movement and improvisation. The second year expands these skills to advanced acting styles, as well as the study of theatre history and literary analysis. In this second year, students will bring all their skills together in a variety of performance opportunities, including both devised work and traditional plays. Throughout their training, starting in their first term, students learn the business realities of a theatrical career. The goal of the Theatre Performance Program is to develop actors with a honed stage craft who are ready to undertake a professional career.

Film and Television Performance Program Course Listing

Platform Year Courses

IL100 Information Literacy

In a seminar with the librarian, learn to locate and identify high quality research materials. Work with the on-line tutorials on the NYCDA and New York Public Libraries. The class covers copyright, evaluating print and online sources and advanced internet searching, as well as in-depth instructions on Boolean searching techniques and controlled vocabularies used to search NYCDA and NYPL catalogs.

Non-credit course

Pre-requisites: None

Please note. While non-credit bearing, this is a mandatory course.

THE122 Voice and Speech I

Explore basic vocal technique for the actor, including breath work, relaxation techniques, resonance, pitch, tempo and volume, with the goal of increasing the ability to fully express the truth of the text and the emotional integrity of the character and situation, while striving for vocal variety and expressiveness.

3.0 Credits

Prerequisites: None

THE123 Improvisation

Perform with spontaneity and freedom through improvisational technique using body, gestures, and emotions. Use improvisation as an art form, as well as for auditioning and executing other performance disciplines. Make use of the tools of listening; being in the moment; committing to choices in working with fellow actors; use of status; and making active choices with emotional and physical connections.

2.0 Credits

Prerequisites: None

THE125 Film Genres and History

Become conversant with several film acting styles, primarily after the advent of sound, as exemplified and demanded by different genres of film. Analyze how character qualities and script content lead to the choices that are needed to act in those genres. Study early film history and the development of easily recognized genres; genre as a marketing tool; genre as an acting tool; and shared elements of the most popular genres, including the western, romantic comedy, film noir, horror and sci-fi.

3.0 Credits

Prerequisites: None

THE126 Introduction to the Camera for Actors I

Learn the technical aspects and differences of working on a single camera and a multi-camera set; everything from hitting marks to adjusting to different camera angles; from who to listen to and take direction from to having an understanding of the on-set jobs that are important to the actor. Learn all the terminology of working in film and television; what is professional behavior on a set; and what is the actor's responsibility. The class is taught from the actor's point of view.

2.0 Credits

Prerequisites: None

THE127 Meisner Technique I

Learn the acting technique of Sanford Meisner in order to achieve spontaneous reactions and authentic behavior in acting. Begin with basic listening skills, repetition exercises and an exploration of independent activities. Advance to an exploration of scene work with a specific emphasis on relationships, activity and preparation that includes working off each other and expressing moments fully. Explore emotional preparation, imaginary circumstances and point of view.

4.0 Credits

Prerequisites: None.

THE129 Movement for Actors I

Explore a series of rigorous exercises developed to allow an understanding of physical awareness and impulses in a nonjudgmental and non-product oriented atmosphere. Physically complement the work being done in voice and acting classes using a variety of movement methodologies. Learn popular dance styles most likely to occur during the course of an acting career, such as the foxtrot and the waltz, while exploring aspects of relationship and behavior in simple scenes.

3.0 Credits

Prerequisites: None

THE132 Voice and Speech II

Continue vocal flexibility work introduced in Voice and Speech I, beginning with microphone technique and cold reading skills. Explore Shakespearean texts to develop heightened language skills, full breath support and dynamic energy. Use the intensity of Shakespeare's plays to diagnose and correct any vocal problems that may arise during heightened emotionality. Make use of the opportunities in Shakespeare's plays where the text requires moments of simplicity, relaxation and minimalism with a precision of body, face and gesture work to complement the language.

3.0 Credits

Prerequisites: THE122

THE137 Meisner Technique II

Apply, through heightened awareness, the principles of emotional preparation to specific text work. Develop the skills of exploring the text; preparation techniques; personal invention; focus on believable behavior in order to achieve spontaneity; and honesty in sharing. Learn how to maintain the integrity of the text; interpret the material and act moments as they are written; memorize and interpret speeches; and perform a fully interpreted score.

4.0 Credits

Prerequisites: THE127

THE139 Movement for Actors II

Build on fundamental relaxation, physical stillness, energy, focus and dance techniques learned in Movement for Actors I. The student integrates body and mind with exercises using observation and imagination. Become more self-aware about the body's relationship to space and how we respond to physical, vocal and emotional stimuli.

3.0 Credits

Prerequisites: THE129

THE141 Actors Lab I

Through exercises based on the work of such people as Stanislavski and Hagen, explore the facets of the craft that allow an actor to immerse himself and take ownership of the given circumstances of the script in a truthful way. Learn tools of the imagination such as endowment, emotional memory, sense memory, object work and creating a moment before. Put these skills to practical use working on simple A/B scenes.

3.0 Credits

Prerequisites: None

THE142 Actors Lab II

Further develop the skills learned in Actors Lab I and apply them to text in scenes from plays. Learn how to explore the given circumstances written by a playwright and use the learned acting craft to bring the characters to life in a truthful manner. Work on preceding circumstances, relationship, environment, obstacles, intentions and actions.

3.0 Credits

Prerequisites: THE141

Film and Television Year Courses

THE241 Professional Internship

Interact with industry leaders, enhance networking possibilities and garner real-life experience as a complement to in-studio training. Possible placements include working in the offices of casting directors, agents, producers and advertising agencies, or with theater companies, production companies or event planners. Prepare reports reflecting on how the coursework relates to the internship experience.

0-49 hours of approved and verified internships earn 1 credit, 50-74 hours earn 2 credits, and over 75 hours earn 3 credits.

1.0 – 3.0 Credits

Prerequisites: Successful completion of the Film and TV Program's Platform Year or equivalent

THE245 Actors Lab III

Analyze screenplays from the actor's point of view. Learn how to use analytical skills to build a character in an organic and truthful way. Move forward by putting all preceding Actors Lab work in front of the camera, adding the technical skills necessary for filmmaking.

2.0 Credits

Prerequisites: Successful completion of the Film and TV Program's Platform Year or equivalent; THE141 and THE142

THE246 Phonetics and Dialect Mapping

As a continuation of Vocal and Speech II, this course provides students with an exploration and discovery of their own dialect. Students analyze and embody the International Phonetic Alphabet through Sound and Movement using Phonetic Pillows. By examining their unique speaking patterns, students inhabit their individual identity and develop dialects based on their lineage through Familiar Donor Accent Projects

3.0 Credits

Prerequisites: Successful completion of Film and TV Program's Platform Year or equivalent.

THE253 Actors Comedy Workshop

Get a solid foundation in the various styles of comedy, from "Broad" to "Realistic." Learn the practical application of the principles of character development, physical and verbal timing and point of view. Develop a comprehensive vocabulary for use in both situation comedy and sketch comedy. Apply basic acting skills to comic material. Learn key techniques for auditioning in the competitive comedy arena. Gain insight into the creation of comic material by executing a team exercise in creating an idea, pitch and script for an original situation comedy.

3.0 Credits

Prerequisites: Successful completion of the Film and TV Program's Platform Year or equivalent

THE255 Process for the Camera I

Function effectively and professionally in front of the camera by hitting marks; making entrances or exits; dealing with props; adjusting between master, mid-shot and close-up; and shooting out of sequence with both physical and emotional continuity. THE323 Theater History/Literary Analysis I

Read plays and gather dramaturgical research while exploring the world that produced the play. Form independent thought and opinions based on analysis. Learn the basics of dramaturgical research and information collection while working on the technical aspects necessary for the performance of theatrical texts beginning with the Greek and Roman theatre and continue on through the early 19th century. Apply knowledge to the performance of a studio production by exploring the time period being studied.

2.0 Credits

Prerequisites: Successful completion of Theatre Performance Program's Platform Year or equivalent.

THE324 Monologues & Cold Reading

This course is divided into two parts: first, actors learn how to approach the monologue audition, including how to select appropriate and effective pieces. They develop two monologues—one dramatic and one comedic—appropriate for successful auditioning. Overused and poorly-suited monologues for auditions are identified, and the student ends the course with monologues that are unique to their talents and type. Second, actors refine their acting audition skills through exploring a variety of materials commonly used at auditions, specifically sides. Work on this kind of material is designed to aid students when auditioning for plays, agency offices, theatre seasons, summer stock auditions, One-On-One, Actor's Connection, etc. Actors are empowered to make smart, strong, informed acting choices in an audition, callback or industry meeting.

THE325 Preparation for the Profession

A challenging, insightful and fast-paced course which bridges students from the academic world to the entertainment industry: how to live in New York, how to deal with the stresses of the industry, and most importantly, how to remain grateful for every moment. Each week a new topic is researched, presented on, and discussed. Outside research and reading required. Guest artists are brought in to present to the group, often in the form of a Q&A.

2.0 Credits

Prerequisites: Successful completion of the Theatre Performance Program's Platform Year or equivalent

THE326 Acting II

Increase comprehension of scene structure and acting requirements as established by the text. Gain an understanding of the shifting acting requirements for scripts from the beginning of Greek/Roman theatre through to modern drama of the 19th century. Increase awareness of a character's intentions, motivations, and activities to fulfill the demands of the script, and of how to specifically achieve these in a scene. Increase focus and comfort on stage. Develop the ability to imaginatively create a character and relate to partners.

6.0 Credits

Prerequisites: Successful completion of Theatre Performance Program's Platform Year or equivalent, THE320

THE327 Acting III: Advanced Acting Styles

In the first few sessions, a Character Workshop helps the actor create characters who are large, eccentric and truthful. The actor then continues working on verbal and physical storytelling, group collaboration, and spontaneous behavior in given circumstances through workshops in Mask and Commedia work, and Vocal and Physical Improvisation.
